X	Mohartl or Masach: 5 acres recommended, where the Indian houses are, as a salmon fishing station.	X ✓
W	Yilk-t-ma or Table Island: Recommended that 10 acres be given on a small bay on the north eastern side of the Island, where there are two Indian houses, as a halibut fishing station.	X ✓
<u>NACH-WOCK-TEUCH BAND</u>		
X	Ta-altz or Da-altz, at the head of Frederick Sound: 10 acres recommended.	X ✓
Y	Akanoyi: Although this application is covered by timber license, the licensees have sufficient land for the Indians to be given 5 acres without in any way interfering with the timber values. The Timber Company might require to use the bay in connection with their operations, but an arrangement might be made in the grant of the proposed reserve to satisfy all parties. The land recommended is at the head of Warner Bay, with a lake close to the beach, this being a good salmon station.	X ✓
Z	Khat-a-tee, at the head of Nugent Sound; 5 acres recommended, as a fishing station.	X ✓
<u>KWANIKWILTH TRIBE Fort Rupert</u>		
1	Tla-la-di, on Deep Cove; the fractional west half of Sec. 21; Tp. 8; Rupert Land District: Recommended, if land be available, as it apparently is.	X ✓
4	Gwazi, on Quatse river: Five acres recommended, if available, on the eastern bank of Quatse river near its mouth, in Sec. 30, Tp. 6; Rupert Land District. NOTE: Under the Provincial Land Act no one may make application for lands long settled by Indians; the lands herein taken up are stated by the Agent to have been occupied as an Indian village for upwards of 20 years.	X ✓
21	Ak-la-nuzi island: Believed to be alienated, but recommended that the Indians for all time to come enjoy the right to dig clams on the foreshore.	X ✓
17	Kluk-si-wi: Recommended that the Commission ascertain the status of land contained in the old "Government Reserve" (naval ?) lying between Point McNeill and Broughton Strait, and if it is possible that lands therein can be secured for these Indians that they receive 200 acres from the Government Reserve aforesaid.	X ✓
