

abundant supply of *matériel*, and thus enable the student to successfully pursue the study of this branch. The dissecting rooms are large, airy, and commodious, thoroughly ventilated, and well supplied with every convenience. They will remain open every working day during the week, from 8 A.M., to 10 P.M.; being well lighted at night by gas. The Demonstrator will attend at stated periods during the afternoon and evening for the purpose of directing and assisting the students in their dissections.

### HOSPITAL.

The Montreal General Hospital is visited daily at noon, and clinical instruction given on the cases in its wards, both surgical and Medical. The Clinical Professors lecture at the hospital twice a week during the session.

---

The tickets of this University are received by the British Colleges, and by those of the United States, whose tickets, under similar regulations, are likewise received by McGill College.

---

Boarding may be had from twelve to sixteen dollars per month.

### EXTRACTS FROM THE REGULATIONS OF THE MEDICAL FACULTY.

#### CHAP. I.

##### *Relative to the Courses of Lectures, Fees, &c.*

1st. Each Professor shall deliver at least Five Lectures during the week, except in the classes of Clinical Medicine and of Clinical Surgery, in which only Two Lectures shall be required; and in that of Medical Jurisprudence, if extended through six months, in which case Three Lectures a week shall suffice.

2nd. Each Lecture shall be of one hour's duration.

3rd. Every Professor shall occasionally examine his class upon the subjects treated of in his preceding Lectures; and every such examination shall be considered a lecture.

4th. A Roll of the names of the Students attending each class shall be called from time to time.

5th. All Tickets which have not a Certificate of attendance attached shall be rejected when presented as Testimonials previous to examination, unless the omission can be satisfactorily accounted for.
