HOMESTEAD REGULATIONS

ANY even numbered section of Dominion Lands in Manitoba, Saskatchewan, and Alberta, ex- cepting 8 and 26, not reserved, may be homesteaded by any per- son who is the sole head of a family, or any male over 18 years of age, to the extent of one- quarter section of 160 acres, more or less.

Application for entry must be made in person by the applicant at a Dominion Lands Agency or Sub-agency for the district in which the land is situate. Entry by proxy may, however, be made at an Agency on certain con- ditions by the father, mother, son, daughter, brother, or sister of an intending homesteader.

The homesteader is required to perform the homestead duties under one of the following plans:—

- (1) At least six months' residence upon and cultivation of the land in each year for three years.
- (2) A homesteader may, if he so desires, perform the required residence duties by living on farm- ing land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of his homestead. Joint ownership in land will not meet this require- ment.
- (3) If the father (or mother, if the father is deceased) of a home- steader has permanent residence on farming land owned solely by him, not less than eighty (80) acres in extent, in the vicinity of the homestead, or upon a home- stead entered for him in the vicinity, such homesteader may perform his own residence duties by living with the father (or mother).
- (4) The term "vicinity" in the two preceding paragraphs is de- fined as meaning not more than nine miles in a direct line, exclu- sive of the width of road allow- ances crossed in the measurement.
- (5) A homesteader intending to perform his residence duties in accordance with the above while living with parents or on farming land owned by himself, must notify the Agent for the district of such intention.

Six months' notice in writing must be given to the Commis- sioner of Dominion Lands at Ot- tawa of intention to apply for patent.

W. W. CORY,
Deputy of the Minister of the Interior.
