BELLEVILLE DISTRICT

Holstein Breeder Club Belleville, Ontario, Canada

APRIL 7th, 1911 REGISTERED HOLSTEIN--FRIESIAN CATTLE

Mostly Female, at their

FIRST ANNUAL

BELLEVILLE, ONT.

Belleville District H.-F. Breeders' Club represents about 75 members. In their herds are some of the largest producers of the breed including mature cows (Canadian champions) with milk records from 22,000 to 24,000 lbs., and over 1,000 lbs. butter in one year. Two year olds milking up to 86 lbs., and yearlings up to 75 lbs. in one day in offic-

When we realize that many of these champions, their offspring and animals closely related to the best of the breed will be offered "Absolutely without reserve," there should be a record attendance of inter-

We believe we have the best offering of good, clean, young, officially tested females ever offered by public auction in Canada.

When granddaughters of "Hengerveld De Kol," champion A.R.O. sire of the breed, Francy 3rd (Canadian champion), De Kol 2 Butter Boy 3rd, Pietertje Hengerveld Count De Kol, etc., are being offered, along with the Canadian yearling champion cow, "May Echo," 24,000 lbs. milk, and over 1,000 lbs. butter, it should convince the most critical buyer that the best that money can buy, is on sale to the highest

This is our FIRST. We will make it a "HUMMER." We intend to hold other sales in the years to come, and it is up to us to give all a square deal. Every consideration will be shown the buyer who attends this sale. No plugging, no bidding in Breeders entering cattle have submitted to forfeit \$50.00 per head on every animal returned to own-

The sharp competition among club members to secure highest average for their individual offerings should be sufficient guarantee of the quality of the cattle on sale

If you want a foundation cow, a herd header, or a car-load, it will pay you to attend this First Annual Consignment Sale of THE BELLE-VILLE BREEDERS' CLUB, BELLEVILLE, APRIL 7th, 1911.

Secure a catalogue at once and get in line for attending this Greatest Canadian Sale of Holstein-Friesian Cattle.
