

HYLO SILAGE IS "CANNED SUNSHINE" It Puts Your Cows on June Pastures in January

The GILSON HYLO SILO insures perfect ensilage, down to the last forkful—sweet, fresh and nutritious.

The HYLO SILO is the result of immense resources and facilities focussed in a steady effort toward perfection. It is not an ordinary silo—it is different.

The material used—Imported, Long Leaf Southern Yellow Pine—is naturally impregnated with preservatives, and is the one wood endowed by nature with all the requisites of silo service. This wood costs us twice as much as the material generally used in other silos, but it is our policy to use only the best, regardless of cost.

The HYLO SILO is purchased by the modern farmer, the man who farms on a business basis. He buys his silo for the money it will make him. He knows that a cheap, inferior silo is a waster and a continuous loss.

Some of the many advantages of the HYLO SILO are as follows:

Self-adjusting hoops, which auto-

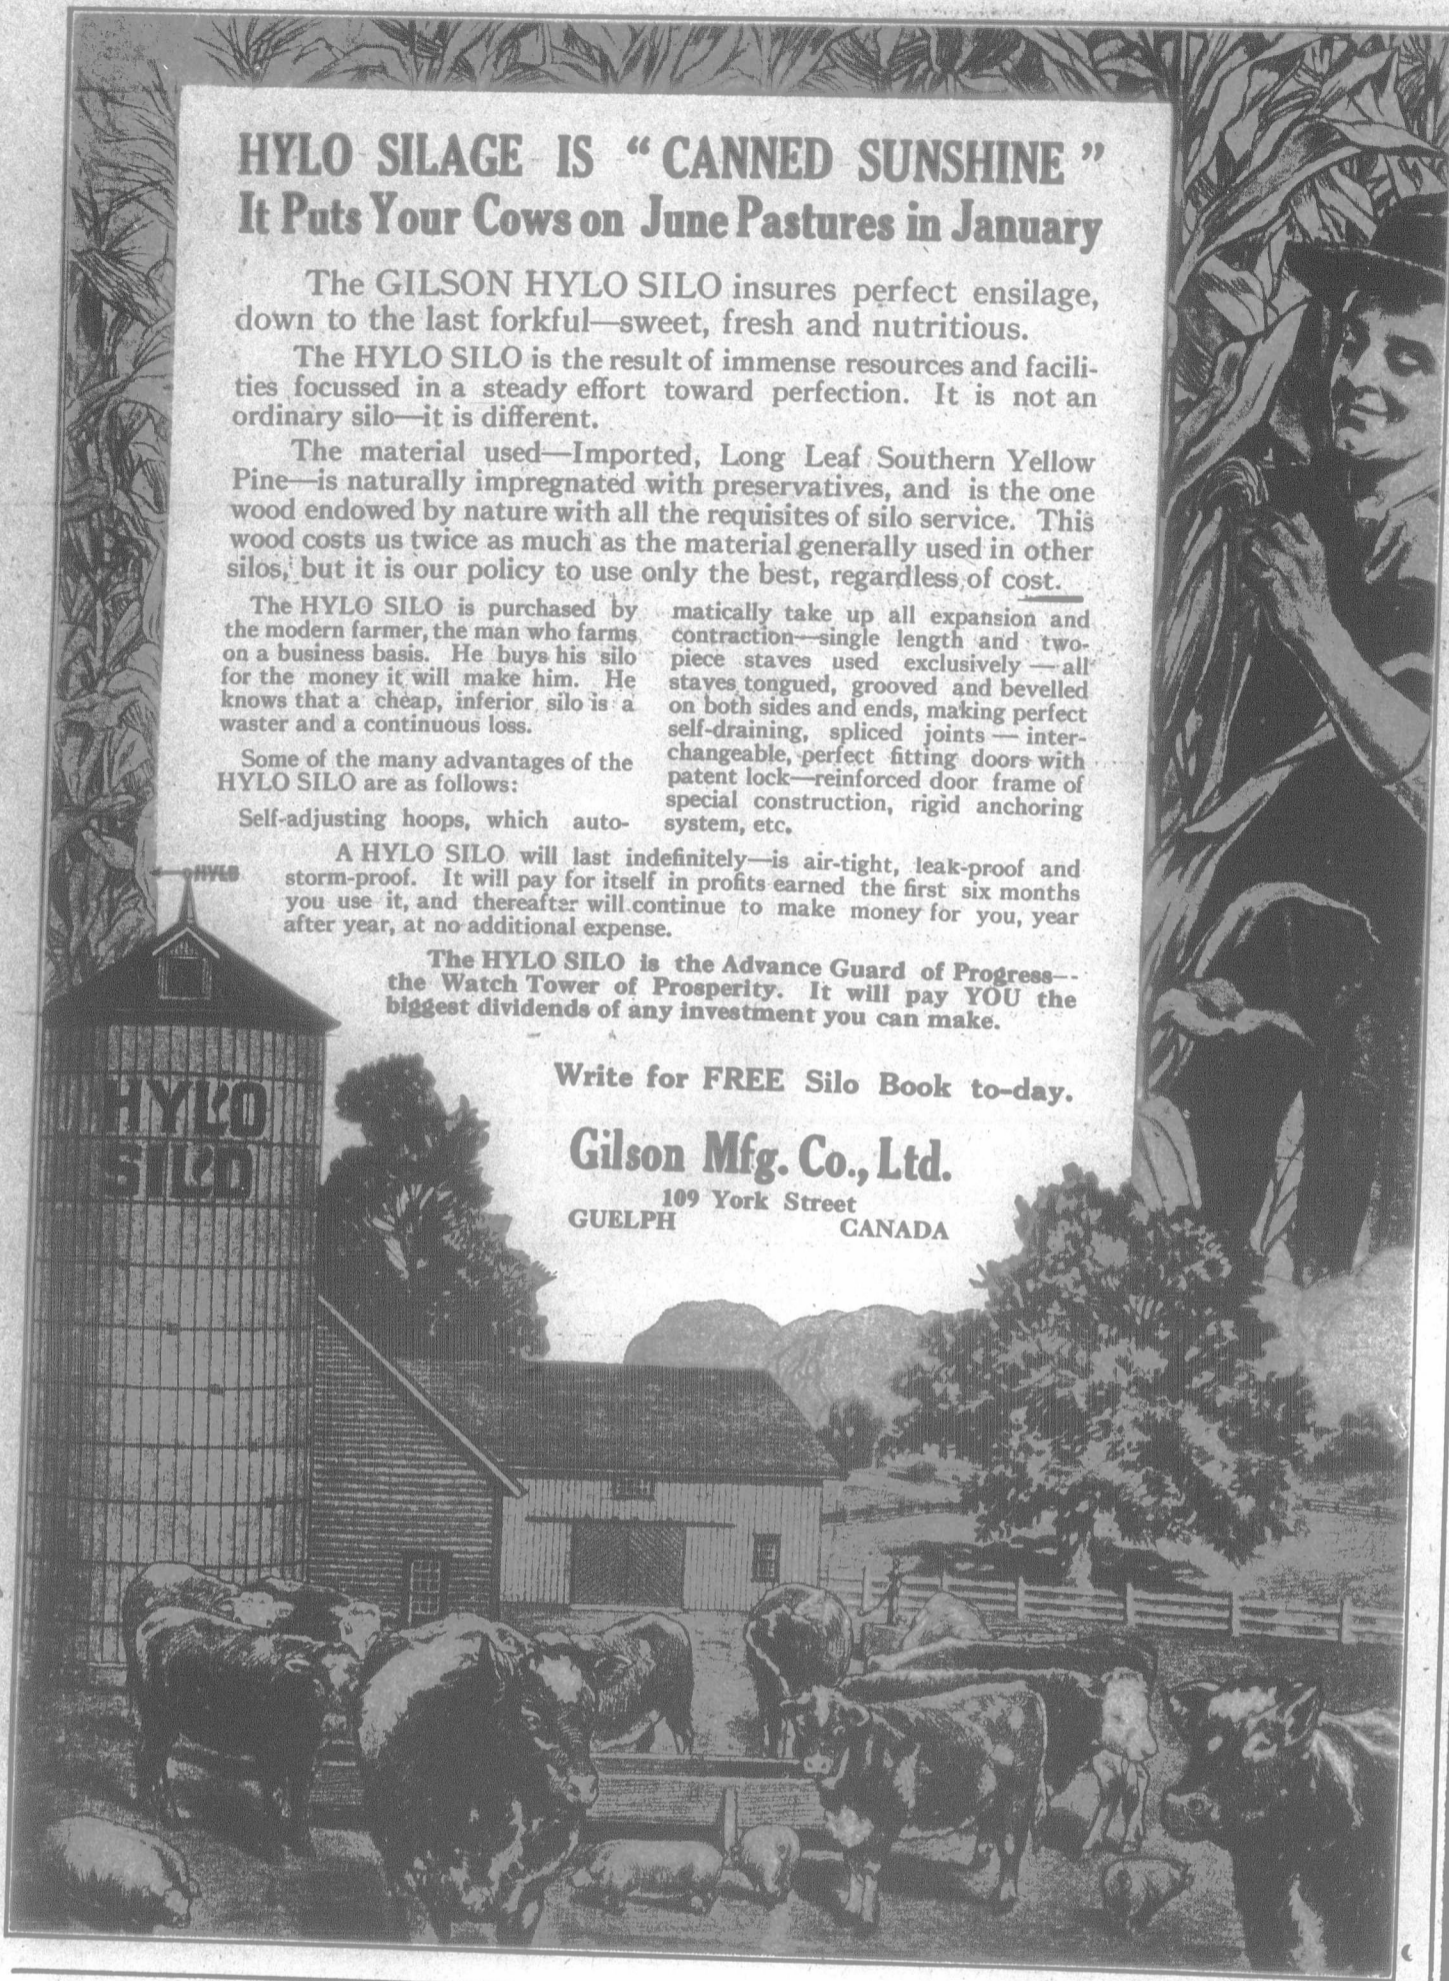

matically take up all expansion and contraction—single length and two-piece staves used exclusively—all staves tongued, grooved and bevelled on both sides and ends, making perfect self-draining, spliced joints—interchangeable, perfect fitting doors with patent lock—reinforced door frame of special construction, rigid anchoring system, etc.

A HYLO SILO will last indefinitely—is air-tight, leak-proof and storm-proof. It will pay for itself in profits earned the first six months you use it, and thereafter will continue to make money for you, year after year, at no additional expense.

The HYLO SILO is the Advance Guard of Progress—the Watch Tower of Prosperity. It will pay YOU the biggest dividends of any investment you can make.

After 9 years of Service
Mr. H. TUTTON, of Brantford, Ont., writes:
Gentlemen—As my 6 h.p. Engine has been such a big saving to me during the 9 years I have had it, I thought I would write you. I have my screen, keep a lot of stock, and do all my own chopping, feed cutting, wood sawing, etc. My engine is as good as new now, and compared with other makes around me, I am perfectly satisfied with its superior fuel economy, power and reliability.
