

Neglect the Liver And You Will Suffer

Scarcely an Organ in the Body but Feels the Effects of a Disordered Liver.

When the liver gets torpid and inactive, bile is left in the blood—causing jaundice.

Indigestion results, because the liver is an important organ of digestion.

Constipation arises because bile from the liver is nature's own cathartic.

A torpid liver means a poisoned system—pain, suffering, chronic disease.

By their extraordinary influence on the liver Dr. Chase's Kidney-Liver Pills positively remove the cause of such disorders. Biliousness, dyspepsia, constipation—headaches, backaches and bodily pains disappear when the digestive, filtering and excretory systems are set right by the use of this great medicine.

Lock for proof to the thousands of Canadians who have been made well by using Dr. Chase's Kidney-Liver Pills. Such an army of witnesses can be summoned in support of very few preparations.

Mrs. Wm. Scott, Portland, Leeds County, Ont., states: "I can recommend Dr. Chase's Kidney-Liver Pills as an invaluable family medicine. We always keep them on hand for use in cases of constipation, kidney, liver and stomach troubles, and do not hesitate to say that they are the best medicine we ever used. We have also used Dr. Chase's Syrup of Linseed and Turpentine for the children when they have coughs and colds, and found it excellent. We have unlimited confidence in these remedies of Dr. Chase, and feel that we cannot recommend them too highly."

Dr. Chase's Kidney-Liver Pills, one pill a dose, 25 cents a box, at all dealers, or Edmanson, Bates & Co., Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous recipe-book author, are on every box of his remedies.

GOSSIP.

Mr. James Boden, manager Tredinnock Farm, St. Anne de Bellevue, P. Q., writes: "Our Ayrshires never looked better than now, and the cows are milking splendidly. Sales have been good, and prices first-class. I have just sold to an American six head (one bull and five females) to start a herd. He would have nothing but Lord Dudley heifers and a Glencairn bull. Size, milk and teats was what he was after. Our Dudley heifers are turning out great; we never had such fine vessels and teats on our young stock. Old Glencairn 3rd is looking well in his fourteenth year, and we have a bull calf of last August, I think the best he ever sired, and we have four of our last imported cows in calf to him again. Kirsty Wallace has just dropped a bull calf, sired by Glencairn 4th, our first-prize one-year-old bull. I expect great things from this calf, as for milking on all sides he can't be beat. Kirsty never milked better than at present. The wonder is, where do some papers go to; but the wonder is, where does the 'Advocate' not go to, as I have enquiries from all over Canada, the States, from Southern California, to Newfoundland—it is the same thing. I saw your advertisement in the 'Farmer's Advocate.' I wish you every success with your venture as a weekly."

MERCER'S SHORTHORN SALE.

On Wednesday, February 24th, at his farm, just outside the corporation limits of the Village of Markdale, Ont., a station on the Owen Sound branch of the C. P. R., Mr. Thos. Mercer will hold an unreserved auction sale of his entire herd of fifty-four head of imported and home-bred Scotch Shorthorn cattle, including his show stock bull, Imp. Broadhooks' Fame, Vol. 19, bred by S. Campbell, Kinellar, Aberdeenshire; sired by the great bull, Golden Fame; dam Roan Rose (imp.), by Abbotsford 2nd. This bull is considered by his owners one of the best, both from the breeder's standpoint and individually, in Canada to-day. There are also two other young imported bulls, both belonging to the noted Jilt family, that are strictly A1 (for pedigrees, see catalogue), besides six home-bred bulls, bred in the purple and choice individuals. The females, of which there are nineteen heifers from eight to fifteen months old, belong to the following well-known and fashionable families: Missie, Stamford, Matchless, Flora, Claret, Pineapple, Mina, Village Girl, Scottish Lass, Lovely, Red Rose, etc. Every one of the breeding cows is guaranteed a breeder, and is now in calf to the stock bull, Imp. Broadhooks' Fame, or has a calf at foot. As will be seen by referring to the catalogue, which will be sent on application, the breeding of this herd is gilt-edged, and seldom is a better opportunity afforded the buying public of getting foundation animals and increasing herds already founded, with fashionably-bred animals at the buyer's own price; also, among the heifers are several that are said to be fit to enter any show-ring, the progeny of the cows that will be sold, so that buyers will be in a position to see exactly the kind of stock they are bred from. Mr. Mercer says every animal offered at this sale will be sold, as he is moving to British Columbia.

At the same time and place, will be sold, his 200-acre stock farm. This farm is in a first-class state of cultivation, well fenced and drained, and is one of the best-equipped stock farms in the County of Grey. The main stock barn is 70 x 65 feet, with cement floors in stable, is fitted throughout with shafting and pulleys for running machinery, the power being supplied by one of Mr. Gill's celebrated tread-powers. The water system is perfect, being pumped by wind power into a huge tank, and from there conveyed through the stables by galvanized piping. There is also a cement silo, 37½ feet by 14½ feet. In fact, everything conducive to a well-equipped stock farm will be found here. The house is frame and roughcast, and in good condition. There are about three acres of choice fruit trees. The farm will be sold in either 100- or 200-acre lots, as there are buildings on both farms. Sale will start at one p. m. Conveyances will meet the C. P. R. trains from both the north and south on day of sale.
