

Fatten Your Hogs Cheaper—Quicker

The **quickly fattened** hog is the **only real** mortgage lifter. Every 24 hours you cut off marketing day means money saved. But don't let the **amount** of food given your hogs persuade you that they gain in weight proportionately—nothing counts **except the food that is digested**. But, ordinarily, the hog **wastes a part of its ration through non-digestion**. Nearly 20 years ago Dr. Hess (M.D., D.V.S.) introduced

DR. HESS STOCK TONIC

A preparation composed of bitter tonics which act directly on the animal's digestive organs, materially lessen the amount of food wasted and convert more of the ration into flesh, muscle and milk. There is nothing secret about the contents of Dr. Hess Stock Tonic—the ingredients are boldly printed on every package and are printed in the panel on the left-hand side of this advertisement with the remarks of the U. S. Dispensatory and other eminent medical authorities showing the highly stimulating tonic and laxative properties of the ingredients used in the preparation of Dr. Hess Stock Tonic. To put up and properly compound this scientific preparation this tonic in every hog's feed daily and you'll fatten them cheaper and quicker.

Our proposition. You get of your dealer a 25-lb. pail of Dr. Hess Stock Tonic at \$2.25, or 100 lbs. at \$7.00 (duty paid). Use it all winter and spring. If it doesn't pay you and pay you well, get your money back. Every pound sold on this guarantee. If your dealer can't supply you, we will.

FREE. Dr. Hess (M.D., D.V.S.) will at any time prescribe for your ailing animals free of charge if you will send him full details. Mention this paper and send 2c stamp. 96-page Veterinary Book also free.
