

Your System Demands Help.

Just Such Help as can Best be Supplied by the Use of the Great Restorative

Dr. Chase's Nerve Food.

Spring seems to be the time of year when the vitality of the human system is at its lowest ebb.

To most people the winter season is a trying time. Either as a result of colds or as the effects of indoor life with poor ventilation and the use of artificial foods, the system gets run down and exhausted, the blood becomes thin and watery and the nerves play out.

Headache, sleeplessness, stomach troubles, loss of energy and ambition, feelings of discouragement and despondency are among the symptoms which cause distress.

It doesn't do to neglect these warning notes. Your system needs help, and you cannot do better than call to your aid Dr. Chase's Nerve Food.

If you have been reading the cases reported in the newspapers from day to day in which this great medicine has been instrumental in restoring health and strength to weak and suffering people you are no doubt already convinced as to its extraordinary medicinal properties.

Then why not make a test in your own case? You cannot possibly use a preparation which is so certain to prove of lasting benefit.

Dr. Chase's Nerve Food, 50 cents a box, 6 boxes for \$2.50, at all dealers, or Edmanson, Bates & Company, Toronto. To protect you against imitations, the portrait and signature of Dr. A. W. Chase, the famous recipe-book author, are on every box.

TRADE NOTE.

THE LONDON AND LANCASHIRE LIFE ASSURANCE COMPANY is one of the oldest and most reliable concerns doing business in Canada. As the advertisement which appears in another column of this issue will show, they have been doing a life assurance business for forty-one years, and the present standing of the company is superior to any time in its history. The wisdom of everyone carrying all the insurance they can need not be discussed at this time, it is too well admitted; neither is it necessary for us to speak of the reliability of this company: their history speaks for itself. They are in Western Canada for straight business, and we commend them to the consideration of our readers.

GOSSIP.

THOROUGHbred FOR ASSINIBOIA.
Mr. John Hutcheson, Newarkhill, has just sold and shipped this week from the Clyde, to the order of Mr. J. Johnston, Assiniboia, Canada, the Thoroughbred stallion, Topsawyer, by Balmoral, by Hampton, out of Highflown, by Highborn. This is a beautiful bay, standing 15.2 hands, on short legs, with good bone, short back, and a grand, straight goer. Topsawyer is intended to mate with the native ponies of the district. Mr. Johnston has bought a large tract of land in the Northwest Territory, and intends breeding horses on a large scale.—[Scottish Farmer.]

IMPORTANT PURCHASE OF AYRSHIRES.

Mr. Robert Ness, of Burnside, Howick, Que., (whose father is well known as an exporter of high-class Clydesdales for the last thirty years), has been on a visit to Scotland for the last month, and returned to Canada by the Donaldson liner, Silacia, last week with a well-selected lot of Ayrshires. Mr. Ness is a thorough good judge of a dairy animal, and would look at nothing but what had a strong constitution, good teats, combined with the promise of being a good milker. When he got those properties to his mind he was not afraid to pay a good price to become possessor of the animal. He visited nearly all the principal herds in the south-west of Scotland, and selected 17 head. From Mr. Andrew Mitchell, Barcheskie, he purchased nine, including the bull he intends to head his herd, viz., the prize bull, King's Crest, which gained first prize at Castle-Douglas the day before selling. This bull was bred by Mr. McKean, Dam of Aber, and was first at the Dumbarton and Stirling Shows, as well as first at the Southern Counties Shows at Newton-Stewart last year. For color, size and general Ayrshire character, this bull will be hard to beat in Canada. Two bull stirks of Mr. Mitchell's own breeding accompany him, both out of very heavy-milking dams. In females, the selection from Barcheskie included the cow, Snowflake, that was first in the uncalved class, and first in pairs at Castle-Douglas. She was a well-known prize-taker last year at the principal shows. The promising three-year-old heifer, Irene, a daughter of The Master; the two-year-old heifer, Jean, that was first at Lanark, Leshmahagow, Hamilton, Douglas Water, etc., last season, and four Barcheskie-bred heifers, less than twelve months old, which have still a name to make for themselves, completed the Barcheskie contingent. From Mr. Wilson, Finlayston, he purchased a grand type of a cow that has been proving herself a splendid breeder, and two calves. From Mr. Duncan, Little Kilmory, two big, substantial, four-year-old cows, of the kind which are hard to find. One of them, besides other honors, was fourth in the Ayr Derby last year, and the other was first at the Highland, in milk. From Mr. Woodburn, Whitehill, he purchased the good four-year-old, Gipsy I., a daughter of Gay Gipsy, and by Traveler's Heir. From Mr. Logan, Barginloch, a good four-year-old cow. From Mr. Thomas Barr, Monkland, two particularly promising bull calves, one sired by White Cockade, out of Beauty of Orchardton, and the other, by Barcheskie May King, out of Snow White.—[Scottish Farmer.]

INTERNATIONAL STOCK FOOD
International Stock Food is a purely medicinal vegetable preparation composed of roots, herbs, seeds, barks, etc., and is fed to stock in small quantities in addition to the regular grain rations. We positively guarantee that it will keep all stock in good condition and insure rapid growth. It will enable you to fatten your stock in from 20 to 30 days less time than you could without it. International Stock Food will save you money over the ordinary way of feeding. A trial will convince you.

A \$3,000 Stock Book Free
CONTAINS 183 LARGE ENGRAVINGS OF STOCK
This book cost us over \$3,000 to produce. The cover is a beautiful live stock picture with-out any advertising on it, contains 166 pages, size 6 1/2 x 9 1/2, gives history, description and illustrations of the various breeds of horses, cattle, sheep, hogs and poultry. Many stockmen say they would not take \$5.00 for their copy if they could not get another. The finely illustrated Veterinary Department alone will save you hundreds of dollars, as it treats of all the ordinary diseases to which stock are subject, and tells you how to cure them.
