## **HOLLOWAY'S OINTMENT.**

A MOST MIRACULOUS CURE OF BAD LEGS, AFTER 43 YEARS' SUFFERING.

Extract of a Letter from Mr. William Galpin, of Saint Mary's Street, Weymouth, dated May 15th, 1851.

To Professor Holloway Sin,—At the age of 15 my wife (who is now 61) caught a violent cod, which settled in her legs, and ever since that time they have been more or less sore, and greatly inflamed. Her agonies were distracting, and for months together she was deprived entirely of rest and sleep Every remedy that medical men advised was tried, but without effect; her health suffered severely, and the state of her legs was terrible. I had often read your Advertisements and advised her try your Pills and Ofinment; and, as a last resource, after every other remedy had proved useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. To Protessor HOLLOWAY useless, she consented to do so. She commenced six weeks ago, and, strange to relate, is now in good health. Her legs are painless, without seam or soar, and her sleep sound and undisturbed. To Professor Holloway, To Professor Holloway,—Sig.—I suffered for period of thirty years from a bad log, the result of two or three different accidents at Gas Works; accompanied by scorbatic symptoms. I had recourse to a variety of medical advice, without deriving any benefit, and was even told that the leg must be amputated, yet, in opposition to that opinion, your Pills and Omitment have effected a complete cure in so short a time,

that few who had not witnessed it would credit the fact.

I determined again to use your Pille and Ointment, and therefore gave them a trial in her case, and fortunate it was I did so, for in less than a month a perfect cure was effected, and the benefit that various other brances of my family have derived from their use is really astonishing.
