### CHALLENGE WASHER

30 DAY TRIAL

Has been successfully sold for the past 10 years and nearly 500,000 machines in use is the best argument for its reliability and real merit. Machine has two semi-circular rub-boards which oscillate in opposite directions by turning the fly wheel one way. The action thus afforded is similar in effect to the rubbing and squeezing action of washing on the washboard. Will wash the most delicate and flow garments with absolutely no wear or injury. Sold on 30 Day Trial. Price F.O.B. Winnipeg 9.75
