### Go to Church and Get Acquainted With Your Clergyman: He's Not a Bad Sort

CAN'T be a hypocrite," was the ready excuse of one man when asked why he didn't attend church. "I know that I am not righteous and that I cannot practice what the church

There is hope for this man. He is the kind the church wants. If he is not righteous he is not happy. Let him acquire the habit of GOING TO CHURCH and he will get a broader, better and happier view of life.

We cannot all be saints. But surely a man can forget the temptations of the world for one hour or one day each week. At least for the hour or so that he is in church he can really think over the big things in life. Let him listen to the word of God and do his best. Of course there are some persons in every community who will criticise as freely the man who GOES TO CHURCH as the man who stays away.

NO MAN WHO GOES TO CHURCH CAN BE A HYPOCRITE LONG. DEEP DOWN IN HIS HEART HE KNOWS THAT HE CAN-MAN. YOU'LL FIND THAT HE IS NOT A BAD SORT. TALK TO IF YOU HAVE ANY CRITICISM OF THE CHURCH OR ITS METHODS, DON'T TALK ABOUT IT ON THE OUTSIDE, BUT TELL HIM. HE'LL MEET YOU HALFWAY. NONE REALIZES MORE THAN HE HOW HARD IT IS TO WORK UP AN INTEREST IN RE-LIGIOUS AFFAIRS AMONG SOME PEOPLE.
