Relief and Health to your Infants

Relief and Health to your Infants

We have put up and sold this article for over 30 years and em say in confidence and truth of it, what we have never been able to say of any other medicine—NEVER HAS IT FAHLED IN A SINGLE INSTANCE TO REFFECT A CURE, when timely used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operations, and speak in terms of highest commendation of its magical effects and medical virtues. We speak in this matter "what we do know," after 30 years experience, and pledge our reputation for the fulfilment of what we here declare. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the infoxt experience and satiful number of which we have been used with never failing success in THOUSANDS OF CASES.

THOUSANDS OF CASES. It not only choves the child from pain but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly re-

Griping in the Bowels, and Wind Colic, and overcome convulsion, which, if not speedily remedied end in death. We believe it is the best and surest remedy in the world, in all cases of Dysentery and Diarrhea in children, whether it arises from teething or from any other cause. We would say to every mother awho has achild suffering from any of the foregoing complaints—do not let your prejudices nor the prejudices of others, stand between your suffering child and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full directions for using will accompany each bottle. None genuine unless the fac-simile of CURTIS & PERKINS, New York, on the outside wrapper.

Sold by Druggists throughout the world. Principal Office, No. 48 Dey Street, N. Y. Price only 35 Cents per bottle. Griping in the Bowels, and Wind Colic,
