Mr. W. F. Earl is rapidly extending his acetylene gas service. The latest to secure this beautiful illuminant is St. Paul's Presbyterian church. A significant fact connected with Mr. Earl's service is that it has never been taken out of any building in which it was installed, and that in the use of his generators no accident, however small, has occurred. This gives good ground for the belief, generally held here, that the "Earl" is the very best generator made.

Rheumatism

is one of the constitutional diseases. It manifests itself in local aches and pains, inflamed joints and stiff muscles, but it cannot be cured by local applications. It requires constitutional treatment acting through the blood, and the best is a course of the great medicine Hood's Sarsaparilla which has permanently cured thousands of cases.

For testimonials of remarkable cases send for Book on Rheumatism, No. 7. C. I. Hood Co., Lowell, Mass.

An Ounce of Prevention

IS BETTER THAN

a Pound of Cure

Farming, like all other business, has proved a science. Fortunately all farm produce is commanding a remunerative price. Good results can only be had from any source when we have done our best toward obtaining them.

The most successful farmers have proved beyond doubt that profitable results come from feeding Poultry and all other Stock not only good grain, hay and ensilage but such Blood-makers and Tonics as

Herbageum, International Stock Food, Poultry Food, Kow Kure, Horse Tonic, Linseed Meal, Oil Cake, The Great English Calf Food—Cream Equivalent, Granulated Bone & Oyster Shell for Hens.

All of the above are guaranteed to produce results that will pay a good dividend for the cost of them.
