

ATHENS POULTRY FAIR!

—WILL BE HELD ON—
FRIDAY, DEC. 10th, '15

DIRECTIONS FOR DRESSING:
 All birds must be starved at least 24 hours and dry picked, all feathers removed. Do not draw poultry as it will keep better undrawn. Leave heads on Turkeys, Chickens and Fowl. Heads must be removed from Geese and Ducks. After dressing, lay in a cool, dry place long enough to allow all animal heat to disappear. Again, be sure and DO NOT SCALD.

The following list are the largest and most prominent Poultry Buyers in both Canadian and American markets, and are expected to visit Athens on above date:

Killing and Plucking Demonstration.
 Demonstrations in Sticking, Plucking, Shaping and Packing Poultry, Will be given by an expert from one of the large city packing houses. Demonstration at 10 and 11 o'clock a.m. and 1 and 2 p.m. This man can pluck and kill a bird in less than a minute. Come and see this man work.

During past years higher prices have been paid at Athens Fair than at any fair in the district, and this year's fair promises to be no exception.

The competition here will be keen, such as will ensure the very highest price being paid, so no mistake will be made in bringing poultry to Athens, on Friday, December 10th.

Westport Has Big Fire

The village of Westport was the scene of the most disastrous fire in its history, when early Friday morning five stores, four dwellings and two barns were destroyed. The origin of the blaze is as yet unaccounted for.

At 1:30 Friday morning, fire was discovered in the dwelling above McKeown's general store, by Mr. Whaley, who lives next door, and who gave the alarm. The citizens of the village flocked to the scene of the fire, and a bucket brigade was immediately formed, and but for their valuable assistance, the fire would have proved a more serious one. A hand-pump was also brought into use. The fire had a good headway before it was discovered, and fanned by a strong wind, the flames spread rapidly, and at one time it looked as if the entire village would burn. A message was sent into Brockville for assistance, but satisfactory arrangements could not be made in time to send any of the Brockville fire fighting apparatus to be of any help.

The buildings destroyed were: the McKeown block, consisting of his grocery store, bake shop and barber shop; Whaley's drug store and residence that was above the store; G. W. Cassells' jewelry store and dwelling situated next door; T. G. Butler's tinmith shop and dwelling; a barn belonging to J. R. Breakenridge, also a barn, the property of Miss Cassels. Fourteen other buildings caught on fire from the burning embers, but these were extinguished before any serious damage was done.

It is estimated the damage will be in the neighborhood of \$50,000, nearly covered by insurance.
