POINTS OF EXCELLENCE.

A Few Reasons Which are Rapidly Making a New Catarrh Cure Famous.

Stuart's Catarrh Tablets, the new Catarrh cure has the following advantages over other catarrh remedies.

First: These tablets contain no cocaine, morphine or any other injurious drug and are as safe and beneficial for children as for adults; this is an important point when it is recalled that many catarrh remedies do contain the very objectionable ingredients.

Next: Being in tablet form this remedy does not deteriorate with age, or an exposure to the air as liquid preparations invariably do.

Next: The tablet form not only preserves the medicinal properties but it is so far more convenient to carry and to use at any time that it is only a question of time when the tablet will entirely supersede liquid medicines as it has already done in the medicinal department of the United States army.

Next: No secret is made of the composition of Stuart's Catarrh Tablets; they contain the active principle of Eucalyptus bark, red gum, blood root and Hydrastis, all harmless antiseptics which, however, as a death to catarrhal germs wherever found, because they eliminate them from the blood.

Next: You can not cure catarrh by local applications to the nose and throat, because these are simply local symptoms and such treatment can not possibly reach the real seat of catarrhal disease which is in the blood; for this reason, inhalers, douches, sprays and powders never really cure catarrh, but simply give temporary relief, which a dose of plain salt and water will do just as well.

Catarrh must be driven out of the system, out of the blood, by an internal remedy because an internal remedy is the only kind which can be assimilated into the blood.

Stuart's Catarrh Tablets do this better than the old form of treatment because they contain every specific known to modern science in the antiseptic treatment of the disease.

Next: The use of inhalers, and spraying apparatuses, besides being ineffective and disappointing is expensive, while a complete treatment of Stuart's Catarrh Tablets can be had at any drug store in the United States and Canada for 50 cents.

HIGLEY-BRETON.

Our Blenheim correspondent writes: A very pretty wedding took place last evening in Trinity Church when Miss Alberta Higley was married to Wm. Breton, formerly of Chatham. The ceremony was performed by the bride's father, Rev. Mr. Higley, assisted by Rev. Mr. Roy, of London. The happy couple left on the evening train for an extended tour in the east. The groom is a son of Deputy Sheriff Breton.

DANGEROUS PRACTICE.

"The practice of sprinkling the streets during the present frosty weather is a dangerous one," said city barrister to The Planet this morning. "The water freezes upon the bricks and at the present time when it is impossible to have the horses shod, I believe the city would be liable in case of accident."

MACCABEE NOTICE.

To the Officers and Members of Chatham Team, N.Y. & K.O.T.M. "Take notice that the annual election of officers and the smoking concert have been postponed until Friday night, Dec. 21st, at which meeting a full attendance is requested. There will be no meeting Friday, Dec. 14th, as a large number of the members desire to attend "When We Were Twenty-one" at the Opera House.

AT THE THEATRE.

The Toronto papers speak of "When We Were Twenty-one" as the biggest success of the season.

Robert Mantell, who came to the local theatre Dec. 25th, is at the Lyceum, Detroit, all next week.

To the patrons of the Grand—I have before me propositions from the managers of "Quo Vadis," "The Runaway Girl," "Sherlock Holmes," and "Way Down East." To secure these attractions I will be required to give a heavy guarantee, and my willingness to do so will be governed entirely by the patronage accorded. "When We Were 21" to-morrow night. This is the first attraction guaranteed by me this season and as to the terms

of the guarantee I will merely say that there is not a dollar in the engagement for me until the receipts reach \$350. Chatham is getting something that no other small Canadian city is getting and I trust local theatre-goers will realize it.—J. F. CAIRNS.

Stood Death off.
E. B. Menday, a lawyer of Henrietta, Tex., once fooled a grave-digger. He says: "My brother was very low with malarial fever and jaundice. I persuaded him to try Electric Bitters, and he was soon much better, but continued their use until he was wholly cured. I am sure Electric Bitters saved his life." This remedy expels malarial, kills disease germs and purifies the blood; aids digestion, regulates liver, kidneys and bowels, cures constipation, dyspepsia, nervous diseases, kidney troubles, female complaints, gives perfect health. Only 50c. at A. I. McCall & Co.'s Drug Store.
