## NORTH YORK PROTEST TRIAL

Additional Charges Filed Against Return of Hon. E. J. Davis.

Toronto, Sept. 20.—The following additional charges against the Hon. E. J. Davis were filed yesterday afternoon in connection with the North York protest trial, which opens this afternoon in Newmarket. The petitioners charge that the respondent collected a large sum of money to be used, and which was used to assist in electing him at the said election, and that such money, being an amount far beyond what the respondent has accounted for, received by the respondent from various sources prior to election day and was used by him for corrupt purposes in connection with the said election, and the petitioners say that one of the sources from which the said money was collected was from a company called "The Lake Superior, Long Lake and Albany River Railway Company," which said company procured charter for the building of a railroad through Northern Ontario. The said company were desirous of having the Ontario Government vote them a land bonus, and in order to procure such bonus the two of the members of the said company, namely, Messrs. Eugene Cane, an agent of the respondent at Newmarket, Ont., and Andrew Yule, another agent in the same place, approached the respondent to secure his influence in the Legislative Assembly of the Province of Ontario, but the respondent demanded as his consideration for his assistance in this regard from the said company the sum of ten thousand dollars as a subscription from the said company to his campaign in the said bye-election, and the said Eugene Cane, did thereupon pay to the respondent the sum of five thousand dollars in cash for the said purposes, but by reason of the fact that the balance of the amount demanded by the respondent and not forthcoming, the said respondent and his associates in the Ontario Cabinet did not support the granting of a bonus to the said railway, and the petitioners charge that the said sum of money received by the respondent, very much used or very largely used in corrupting the electors in the north riding of York at the said bye-election.

## DANGER OF LIVING WITH CONSUMPTIVES.

Is real danger, because the spout of affected persons diffuses itself through the air and finds lodgment in the systems of others. If exposed to consumption use fragrant, healing Catarrhazone, the most efficient germicide known. No case of catarrh can withstand Catarrhazone, which cures this loathsome disease thoroughly. Cold in the head is cured in a few minutes, and bronchitis, asthma and lung trouble are cured to stay cured if Catarrhazone is employed. "I don't know any remedy so good for catarrh and bronchitis as Catarrhazone," writes N. T. Eaton, of Knowlton. "It cured me after years of suffering and saved me from consumption. Two months' treatment \$1; trial size 25c.

## The Robin.

A Beverly (Mass.) man, who has maintained a feed box for the birds for several years, reports that while the box has been liberally patronized by other species close observation has failed to detect the presence of a robin in the flock.

## THE SMALL-POX QUESTION.

Any intelligent physician will admit that you don't catch small-pox because someone else has it, but because your condition favors it. Low vitality always encourages sickness, and at this season especially, everyone should take Ferrozene, which destroys disease germs and makes the system so strong and healthy that sickness can't exist. Ferrozene is a vitalizing tonic that makes rich, red blood, builds up the nerves, cures nervousness and drives away tired, languid feelings. To get strong and keep strong use Ferrozene; it assures health and costs but 50c. at all druggists.

## Selling Cattle at Sight.

The liking for a gambler, though the odds are all against them, seems inveterate in English farmers. They prefer, when selling fat cattle, to pit their experience against the butcher and to sell at sight instead of by weight.

## IS YOUR DOCTOR BILL LARGE?

Best way to keep it small is not to call the doctor, but use Nerviline instead. For up to the minute cures of colds, coughs, chills, cramps, headache, and stomach trouble Nerviline is just as good as any doctor. It breaks up a cold in one night, cures soreness in the chest, soothes the nerves, toothache and rheumatism you can't get anything half so good as Nerviline. The fame of Nerviline for cramps, colic, and pain in the stomach extends far and wide. Good for everything a liniment can be good for and costs but 25c. for a large bottle.

## Scientific Cruelty.

George Jandt, a teacher of Halberstadt, Germany, who was sentenced to two years' imprisonment for ill treatment of schoolboys, used to burn their hands by means of a burning glass when he wanted them to confess a misdoing.

## Dodd's Kidney Pills.

## Gives Valuable Advice to Those Who Use the Railroad Train Frequently.

Toronto, Ont., Sept. 19.—(Special).—Mr. J. H. Ireland, one of the oldest and best known commercial travellers on the road, has come out with a statement for the benefit of his fellow travellers.

"It is with pleasure," says Mr. Ireland, "that I endorse Dodd's Kidney Pills. While on a trip through the Maritime Provinces Dodd's Kidney Pills completely cured me of a severe pain in my back that had bothered me for some time. The first dose seemed to go right to the spot and removed the trouble so effectually that it has not and is not likely to return."

"Dodd's Kidney Pills are just as advertised," Mr. Ireland concludes. "They cure to stay cured."

Travelers, railroad men and others who ride on the railway a great deal are subject to kidney troubles. They will find Mr. Ireland's statement valuable reading.
