## THE ACADIAN.

WOLFVILLE, N. S., MAY 15, 1896.

### Local and Provincial.

We are informed that firm in Toronto are offering bicycles as premiums with ten cent shirts. This explains it.

Rev. W. V. Higgins, who has lately returned from missionary work in India, preached in the Baptist church on Sunday evening last.

Mr. W. H. Chase has begun operations for the erection of a new warehouse at Port Williams station, to replace the one destroyed by fire last winter.

Lost.—A thin, black Overcoat. Finder will oblige by leaving at this office.

A Liberal mass meeting was held in the Drill Shed, at Kentville, on Wednesday afternoon last. Prender Fielding, Dr. Borden, M. P., H. H. Wickwire, M. P., and others, addressed the meeting. A large number were present.

HALF-PRICE SALE at Carver's on Saturday, May 16th.

We understand that a game of baseball will be played on the Campus on Saturday afternoon, between a "town" team and the "Seniors" of Acadia. This will no doubt be a good game, as some of the old-time players will be on the Wolfville team.

General manager Brignell, of the Nova Scotia General Railway, will issue a guide book to tourists in the near future. It will be highly illustrated and contain much valuable information respecting the beauties of Lunenburg county and the waters of the placid LaHave.

Mr. Chas. Strong, our genial fish merchant, has had the carpenter at work on his shop for a week or two. The roof has been shingled, and two handsome panes of plate glass were placed in position on Wednesday last. It now presents a much neater appearance.

At a meeting of the Presbyterian congregation of Wolfville and Lower Horton on Wednesday it was unanimously decided that a call be extended to Mr. P. Macdonald MacDonald, of Pictou. Mr. MacDonald graduated at the Presbyterian college, Halifax, this spring. He has already filled the pulpit of the congregation several times, with much acceptance.

The Baptist congregation of this place has decided to build a new parsonage. The present house is to be moved back on the west line of the lot and used as a tenement, while the new building will occupy its present site. The parsonage will be a good building, will cost in the vicinity of \$5,000, and will make another addition to Wolfville's fine residences.

A party of gentlemen, consisting of Messrs O. D. Harris, D. R. Munro, A. J. Woodman and T. L. Harvey, tried their luck for codfish in the Basin, on Saturday last. They were conveyed to the fishing grounds in the gasoline launch. The "furry monsters" seemed, however, to have poor appetites on that day, as the aggregate catch was only three fish—two cod, and a haddock. O. D., as usual, was "high lica."

Dress Goods and Trimmings at HALF-PRICE on Saturday, May 16th, at Carver's, Windsor.

Acadia Villa School, Horton Landing, closes for the summer vacation on Thursday next, the 21st inst., and public exercises will be held throughout the day. The year's work in the various branches will be reviewed from 9 to 12 o'clock a. m. in the school room. In the afternoon this will be continued in the Assembly Hall from 1 to 2:30 o'clock, at which hour a literary and musical entertainment will be given by the students.

The Wolfville Quoit Club had their first game this season, on Saturday last. This amusement bids fair to become more popular in Wolfville than ever, this summer.

The schooner *Utility*, Capt. Copp, arrived on Saturday last from Boston, with general cargo. After discharging she left on Monday, being towed out by the gasoline launch.

Wolfville certainly has her full quota of lady bicyclists this season. We have counted over a score on our streets during the past few weeks. They ride gracefully and appear to be quite at home on the wheel.

House cleaning operations are in full blast just now, and tents have been pitched in the various back yards of the town for the temporary accommodation of the sterner sex. There is one consolation, however—it only comes once a year.

Mr. J. W. Beckwith, the enterprising proprietor of the Royal Hotel, of this town, has been making some improvements in the interior of that well-known hostelry, lately. Mr. B. expects a large tourist trade this season, and intends to be up to date.

An exchange says that Mr. B. B. Hardwick, the well known agent for Pyle's Pearline, has offered into a compact that he will not cut his hair until he sees Wilfred Laurier at the head of the Dominion government. Mr. Hardwick may have a hair cut on June 24th next, and he may not have such a luxury till 1902.

## BRADLEY'S FERTILIZERS.

THE BEST IN THE MARKET.

Manufactured at North Weymouth, Mass. The largest fertilizer works in the world.

WHAT SOME OF OUR FARMERS SAY OF IT:

UPPER DYKE VILLAGE, February 14th, 1895.  
Dear Sir,—I used Bradley's potato fertilizer last spring for potatoes without manure with good results. I used it in the drills, about 300 lbs. per acre. The potatoes made a quick start, and got their growth sooner than those where I used manure, and were a better crop. I have used other fertilizers, but Bradley's is far ahead of any I have tested.
