

The Municipal Election, as in other municipalities of the Province, was held for the first time, and was quite a change from the open voting. It was the quietest election ever held in Erin. Many of the old electors did not file because they could not tell how it was going on, and hence there was no excitement as usual, as they called it. However, it is a great improvement over the old way. Our Mayor and Deputy Mayor have been elected by the Councilors will be found in another column.

Mr. James Sharper, Oshawa, on the 20th of the month, with his mother and his cousin, Mr. Short and wife, were driving into the Village, on Monday morning, the axle-tree of the front wheel of the carriage broke off close to the wheel, throwing Mr. Sharper and his cousin into the air. The horse taking fright, dragged him some little distance, when the hind wheel passed over his right arm, breaking it immediately from the elbow. He also received a very nasty severe bruise on his face and left arm, but not of a serious nature. He was conveyed to Clark's Hotel, where Dr. McNaughton was immediately in attendance, who set the limb and he was able to be taken home in the evening, and doing well. His mother and cousin escaped unhurt. Mr. Short jumped out and caught the lines before the horse got away.

THE GREAT MEDICAL DISCOVERY.

It is now opening up a new era in the history of medicine, the other a fountain of health, which is indispensable to the full enjoyment of life and its blessings. In response to the above sentiment come the unnumbered testimonies of thousands of grateful patients, who have been relieved of chronic ailments through its instrumentalities. These voices are limited to no one locality, but from every city, village, and hamlet in our broad domain, as well as from other climes, and in the strange utterances of foreign tongues, like the confused murmur of many waters, some unfeigned and hearty commendations. It is, in combination with the Pleasant Purgative Pills, the great depurative of the age. Under its benign action eruptions disappear, excessive waste is checked, the nerves are strengthened, and health, long banished from the system, resumes her reign and re-establishes her throne upon the cheek. All who have thoroughly tested its virtues in the diseases for which it is recommended unite in pronouncing it the great Medical Discovery of the age.

THE PATENT GIVEN TO JUDGE HENRY, one of the Superior Court Judges, by the members of the Hatter bar on Tuesday night was a most successful affair.
