Newcastle 7-tf. TROUT

MezzcWork

The undersigned have received from Mr Nash of Maine the agency for New Brunswick for his famous treut mezz-work. A trout mezzo is one half the fish work. A trous mezzo is one nair tee usa, os mounted upon a convex eliptical page! as to stand the fish out in bold relief, giving the effect of an oil painting or wholen cutted fish, with the real thing to show of your prowess. The process of preserving fish in this artistic way was serving fish in this artistic way sovered by Mr. Nash in 1900, ented by him.

Mr. Whellam was a mighty ill man this spring. He had been siling for almost a year. Sharp pains in the back and through the hips. Dull headaches and dizzy spells. Appetite poor—nothing seemed to taste right.

Finally, an old friend told him about a friend who was in just that condition and who was cured by GIN PILLS.

Mr. Whellam tried them. And you would not know him for the same man now. That worried, strained look about the face is gone. His eyes are bright—lis complexion rosy. He enjoys what he eats—has gained in weight—and sleeps like a top.

He had bidney trouble GIN PILLS.
