No Disease is so Quiet and Stealthy in its Approach as Kidney Disease

It is therefore of great importance to recognize the early warning symptoms: pain or dull ache in the back, bladder pains, smarting sensation when urinating, frequent or surpressed urination, sediment in the urine, etc., because in its early stage kidney disease is easily cured by Doan's KIDNEY PILLS.

Mr. Elgin Brisebois, Vernon, Ont., writes:—I was troubled a great deal with kidney trouble. I had to get up four or five times every night, my urine contained a thick brick-dust sediment, I had a pain sleep at night. I commenced using Doan's Kidney Pills

and in a very short time I was all right again. I am very thankful to have found a cure so speedy in its action. Doan's Kidney Pills are 50c. per bor or 3 boxes for \$1.25, at all dealers, or mailed direct on receipt of price by The Doan Kidney Pill Co., Toronto, Ont
