CORNER CHURCH AND GENEVA STREETS

who will meet Benny Leonard in an Eight Round bout at Newark this month.

Noah Beery is a tall man with piercing dark eyes and jet black hair. As it happened, he had a wonderful black beard all grown when Donald Crisp, who directed Fred Stone's second Arcraft picture, "Under the Top," which will be shown at Griffin's Theatre next Thursday, Friday and Saturday, was looking for someone to play the role of the hypnotist Professor de Como, in the story. Crisp saw Beery and seized him.

"You're just the one I want," said the director. "Can you make up as a hypnotist, a la Svengali, in an hour?" "I can," said Mr. Beery. In one hour a tall man in a black suit, and with a black cloak thrown over his shoulders, was striding toward the stage where the comedy was making "Under the Top." Mr. Beery does some splendid acting in the role of Professor de Como. In the story he is called upon to hypnotize a young girl to the end that she may be married to one of her rascally guardians who seek to deprive her of the circus she had inherited from her father.

Fred Stone, who plays the part of the girl's sweetheart, frustrates this plot in an extremely novel manner, as all who see this photoplay at Manager Fletcher's popular playhouse will testify.

In addition to the above Miss Peggy Hyland will also be seen in "Bonnie Annie Laurie," the tale of a Red Cross Nurse's loyalty and patriotism. The Griffin British News and Cupid's Day Off, a Mack Sennett comedy complete a very strong programme.

As an added attraction the management have secured the services of Mr. Art. Chater the popular vocalist who will appear every evening.

GEORGE KENNEDY SERIOUSLY ILL

tracted Manager Gibson's attention Causing Alarm

Seattle, Wash., April 4.—Odie Cleghorn, centre with the Canadians, is the latest Eastern player to be stricken with the "flu." Manager George Kennedy took a turn for the worse yesterday and his condition is regarded as serious.

Hall and McDonald are at the Providence hospital, and no change from yesterday's condition has been reported. The rest of the players are under the care of a physician at their hotel. Newsy Lalonde and Berlanquette are fighting off the disease, and they are reported much better, their temperature being lower than the first day. Joe Hall has a temperature of 103.

OTTAWA STRONG FOR LACROSSE

Capitals Elect Officers and Will Play in N.L.U.

Ottawa, April 4.—The return of lacrosse to the Capital for the coming season was assured by the unanimous vote of players at the annual meeting of the Ottawa lacrosse Club, which was held in the Russell House. With the exception of one or two, practically all the members of last year's team were in attendance, and

Everyone Should Drink Hot Water in the Morning

Wash away all the stomach, liver, and bowel poisons before breakfast.

To feel your best day in and day out, to feel clean inside; no sour bile to coat your tongue and sicken your breath or dull your head; no constipation, bilious attacks, sick head ache, colds, rheumatism or gassy, acid stomach, you must bathe on the inside like you bathe outside. This is vastly more important, because the skin pores do not absorb impurities into the blood, while the bowel pores do, says a well-known physician.

To keep these poisons and toxins well flushed from the stomach, liver, kidneys and bowels, drink before breakfast each day, a glass of hot water with a teaspoonful of limestone phosphate in it. This will cleanse, purify and freshen the entire alimentary tract, before putting more food into the stomach.

Get a quarter pound of limestone phosphate from your pharmacist. It is inexpensive and almost tasteless, except a sourish twinge which is not unpleasant. Drink phosphated hot water every morning to rid your system of these vile poisons and toxins; also to prevent their formation.

To feel like young folks feel; like you felt before your blood, nerves and muscles became saturated with an accumulation of body poisons, begin this treatment and above all, keep it up! As soap and hot water act on the skin cleansing, sweetening and purifying, so limestone phosphate and hot water before breakfast act on the stomach liver, kidneys, and bowels.

HOLDEN SIGNS WITH THE LEAFS

Former Montreal Outfielder Secured by George Gibson

Toronto, April 4.—The signed contract of Outfielder "Billy" Holden, formerly of the Montreal Royals, has been received at baseball headquarters. Holden who is training with the New York Giants at Gainesville, attracted Manager Gibson's attention by his good work, and when he learned that he was a free lance he signed up in a hurry. Holden was a member of the Montreal team for several years under Howley, and Dan tried hard to land him for the Leafs last season. He fielded .962 in his last season with Montreal and batted .272.

Mr. and Mrs. A. Russ, of Cornwall, are visiting his father, E. B. Russ, postmaster at Grimsby, e.c.

The Buffalo Express states that some justice is expressed in that city to the protest of deepening the St. Lawrence Canal.

The Grimsby Park store of the Canada Steamship Co. was broken into recently and about \$35 worth of cigars, cigarettes and candy stolen.

They voiced their wishes to carry on under the same conditions as last season in no uncertain manner. It is expected that five teams will play in the N.L.U.
