A LETTER FROM

(Translated from the French.)

I have deferred writing the better to testify to the benefits derived from the use of your Liniment. It has done wonders among all the people who have used it about here. I can certify that in every case where I have used it upon myself, I have been very well satisfied.

upon myself, I have been very well satisfied.

Mr. N. Mooney, of St. Sylvester, had a bad leg which was said to be incurable. I told him to use Simson's Liniment, and it has effected a complete cure in a very short time. His neighbor, Mr. John Devlin, having received a very serious cut in his leg, Mr. Mooney took him the Liniment, and having used it, found himself completely cured.

I have been assured of the cures of these people, and the remedy having become known, it has created quite a demand, people coming as far as 35 miles to procure it for themselves.

Mr. Wm. Bennett, of St. Ferdinand, has had it some me for himself, and he has since bought it for his friends, he suffer from Rheumatism, and they have all been well I have never known any medicine to have had such od results about here as Simson's Liniment.

Hoping that it will prove as satisfactory elsewhere. I am, yours truly,
