Words of Wisdom.

Nothing overcomes passion store than Stone and sticks are flung only at fruit-

bearing treer. The defects of great men are the consolation of the dunces.

The man who is always right finds every one alse always wrong. Style is the gossamer on which the seeds of truth float through the world.

If you believe in evil you have done evil. What makes life dreary is the want of motive.

No one is fatigued after exercise of forbearance.

want of courage.

Let no one overload you with favours; you will find it an insufferable burden. Place before your children nothing but what is simple, lest you spoil their taste, and nothing that is not innocent, lest you spoil their heart.

side of the grave are our reputation and our life. But it is to be lamented that the most contemptible whisper may de-prive us of the one, and the weakest weapon of the other. A wise man, therefore, will be more anxious to deserve a fair name than to possess it, and this will teach him so to live as not to be afraid to die.

mirable, an equal agreeable, and an inferior acceptable. It soothes distinctions, sweetens conversation, and makes

An Answer Wanted.

Can any one bring us a case of Kidney or Liver Complaint that Electric Bitters will not speedily cure? We say they carnot, as thousands of cases already permanently cured and who are daily recon mending Electric Bitters, will prove. Bright's Disease, Diabetes, Weak Back, or any urinary complaint quickly cured. They purify the blood, regulate the bowels, and acts directly on the diseased parts. Every bottle guaranteed.

A Sermon in a Paragraph.

institution theother day: & Young men, you are the architects of your own fortunes, rely on your own strength of body and soul. Take for your star self-reliance. Inscribe on your banner, Luck is a fool, I luck is a hero." Don't take too much advice—keep at the helm and steer your own ship, and remember that the art of commanding is to take a fair share of the work. Think well of yourself. Strike out. Assume your yourself. Strike out. Assume your much affection for the Councilors. --go over a rough road, and small ones go to the bottom. Rise above the envious and the jealous. Fire above the mark determination, with a right motive, are Advertise your business. Make money and fellow men. Love truth and virtue. Love your country and obey its laws."

A Political Threshing Machine.

to attract the public attention to a character which will only pass without censure when it passes without observation.

Had be done so be might have avoided Had he done so he might have avoided his trip last Tuesday evening through the Cameron, Ross & Co. threshing machine. It may not kill him, but he can

PRESENCE OF MIND.—Some persons imagine that presence of mind is an instinctive quality that is never to be acquired, but that is an erroneous view. Familiarity with danger is greatly conductive to it. Soldiers and sailors, as well as medical men, acquire it by experience. This is not available to all, but a contemplation of the possibility of quired, but that is an erroneous view. Familiarity with danger is greatly conductive to it. Soldiers and sailors, as well as medical men, acquire it by experience. This is not available to all, but a contemplation of the possibility of langer, and of the means which should be taken to avoid it, will greatly conduce the procession of this faculty. If every to the possession of this faculty. If every woman would think as to the best method woman would think as to the best method of proceedure if her bedroom was on fire, she would be more likely to act rationally if the accident did occur, than one who had never contemplated the possibility of such an occurrence; and a girl who is convinced of the danger of rushing into the open air on her dress catching alight is more likely to throw herself on the floor and roll over and over than one who has never thought at all about the subject.

Phosphatine, or Nerve Food, a Phosphatic Element based upon Scientific Facts, Formulated by Professor Austin, M. D. of Boston, Mass., cures Pulmonary Consumption, Sick Headache, Nervous Attacks, Vertigo and Neuralgia and all wasting diseases of the human system. Phosphatine is not a Medecine, but a Nutriment, because it contains no Vegetable or Mineral Poisons, Opiates, Narcotics, and no Stimulants, but simply the Phosphatic and Gartric Elements

who certainly commanded a larger To-lowing" of friends and enemies than any other political writer, used to say to his subordinates, "Find out first what you want to say, and then make it clear. Make it as if the man you were writing for had never heard of the subject before. Do not be afraid to repeat, or use common words Use any words, repeat hammer it in, only make it clear. There is as good a receipt for editorial writers as ever was

Voltaire predicts are ears ago that before the beginning of the nineteenth ce tury Christianity would have disappeared from the earth. But the fact repeared from the earth. peared from the earth. But the fact remains, in spite of the varietion, that in 1800 there were 19.500,0-0 professors of Christianity out of 0.00 of English speaking people: hat in 1881, pretty well on in the century, there were among the English speaking people alone 59.000 00 retestures and 13.500,000 Rom n Cath in as against 18.500,000 Rom n Cath in as against 18.500,000 non-religible respective. 18.500,000 non-rela i sepende.

pagne admirable for loosening the tongue and a happy inspiration for an after dinner speech; but his experience has been that wine clogs the brain for mental work, and he can never write to his own satisfaction after even drinking even one glass. He likes tobacco as a stimulant. bility, universal Jassitude, forgetfurn Oliver Wendell Holmes prefers an entirely undisturbed and unclouded brain for mental work, unstimulated by any-thing stronger than too office work thing stronger than tea or coffee, unaf and secure health and hap fected by tobacco or other drugs. His faculties are best under control in the foreneon, between breakfast and lunch.
