Financial and Commercial Markets

EDMONTON CITY MARKET.

Edmonton, Nov. 28.—With a steady demand for farm products, prices are holding their own in Edmonton, although there has been little change in market conditions for the last week. While everybody wants to stock up on potatoes, the supply thus far is not as abundant as the demand, and quotations are about the same. Good tubers are bringing from 40 to 45¢ per bushel, with every prospect of stiffer prices in the next few days. A few are complaining of having purchased potatoes which were frost-bitten, indicating that probably some caution is taking the necessary precaution during the recent cold snap. Other vegetables are selling at the prices which have prevailed for nearly a month. Grain prices are still weak, if anything weaker than a few days ago. Oats have advanced from 24 to 27 to 28 to 29. Wheat is beginning to come in and the elevators are doing a fairly good business with the farmers.

PRINCESSPATRICIA HAD A STORMY PASSAGE

Daughter of Duke and Duchess of Connaught Arrives at Halifax at 2 O'clock this Morning.

Halifax, Dec. 9.—After a stormy passage of six days, the Empress of Ireland, with the Princess Patricia on board, entered the harbor shortly after midnight. It was not until two o'clock this morning that the Empress docked, but Princess Patricia was on deck and an interested eye-witness to the docking of the liner.

The arly hour did not deter a good-sized crowd from assembling at Deep Water to give Her Royal Highness a hearty welcome. She was met by Capt. Long, A.D.C., Brigadier General Drury, Col. Humphrey and their staff, escorted by Capt. Forester. The Princess came ashore and the passengers on deck and the crowd on shore made the quiet of the early morning ring with hearty cheers in the streets.

Her Royal Highness was escorted to the Governor General's car, Cornwall. The Princess proved herself a good sailor and braved the elements at all times, being almost continually on deck.

The Princess left by the regular C. P. R. train this morning for Montreal and Ottawa.

The Princess will proceed to Montreal and thence to Ottawa, where she will join her parents at Rideau Hall, and take part in the Christmas festivities.

Next summer, it is stated, the Duchess of Connaught and her daughter, Princess Patricia, will go to Europe, where they will remain during the warm weather.

SHEDDON SHADOW FORMER SELF Montreal Man in Court to Identify Cheque He Gave.

Montreal, Dec. 9.—D. Sheldon appeared in court this morning in the case of Willis vs. Matthews. He was described as a shabby-looking man and looked the ghost of his former self, being pale and emaciated. He was asked by Mr. Croteau, who recognized an exhibit and with a tinge of sarcasm in his voice, he replied "Yes, I recognize it." He then stated that Mrs. Matthews had an account with him and he had given her a cheque for \$1000.00, which he had cashed at the bank. He was asked to identify the cheque and he did so.

French Deputies Attack Under Secretary for Forestry in Ottawa. Paris, Dec. 9.—The under secretary of state for fine arts, Du Jardin Beaumetz, was the object of a sharp attack in the Chamber of Deputies today. Teachers of the Louvre gallery, who welcomed the exports. He contrasted the good quality of the butter and cheese grade of fifteen years ago or less, when he travelled throughout eastern Ontario engaged at institute work, with the high quality of the product to be found on the average country hotel tables today. There was a great improvement in both the general quality and uniformity all over the country.
