WHO AM I?

BY RUTH CAMERON.

Who am I? Over my own things they often sound. Again and again ultra-feminine to me, and yet again in a question and again I hear the rumour, "Every one says Ruth Cameron is a man." The only way I can account for this is that the public long ago discovered that some woman's column was written by a man, and was so impressed by this discovery that hereafter they became so suspicious of all women's columns. Now that's all nonsense. Listen, my friends, I've been in the newspaper business a good while, and am in a position to know something about the matter. I know of a great many women writing women's columns, and I don't know of more than one case of a man writing under a woman's name. And that was only done for a little while to fill up a gap. Just one word more. The last letter which I received on this subject said, "Some people think different folks write under the name because it is better some days than others." Perhaps I'm illogical, but it seems to me that is a good proof of the opposite. If the best thoughts of several people were taken, the little chats might be uniformly good. Since they are just the daily output of an ordinary human being, subject to bright day and dull days, and good moods and bad moods, is it not natural that they should be good, bad and indifferent by turns? No, that's a mistake. I'm one person, and I'm a woman, and for the rest I'm your friend, and isn't that enough to know?

Ruth Cameron

NATURE'S ESSENCE. --- Extracted from Forest Plants.

Nature's laws are perfect, but disease follows if these laws are not obeyed. Go straight to nature for the cure, to the forest; there are mysteries here that we can fathom for you. Take the bark of the wild-cherry tree, the root of mandrake, stone, Oregon grape root, queen's root, bloodroot, and golden seal, make a scientific, non-alcoholic extract of them with just the right proportions and you have

Doctor Pierce's Golden Medical Discovery.
It took Dr. Pierce, with the assistance of two learned chemists, eight years of hard work experimenting to make this pure glyceric extract and alternative of the greatest efficiency and without the use of a particle of alcohol.

Just the sort of remedy you need to make rich, red blood, and cure that lassitude and feeling of nerve exhaustion. Dr. Pierce's Golden Medical Discovery bears the stamp of **PURSCOTT'S** and has sold more largely in the past forty years than any other blood purifier and stomach tonic.

"Some time ago I got out of health—my stomach seemed to be the seat of the trouble," writes Mr. E. W. WILLIAMS, of Belleville, Kans. "I commenced to doctor with all the doctors at home as well as with other specialists on stomach and digestive organs. None seemed to do any good—in fact, most of the medicines did harm. Finally, I wrote to Dr. Pierce, Buffalo, N. Y., who replied, stating that I had liver complaint with indigestion and constipation, and advised Dr. Pierce's Golden Medical Discovery and Pleasant Pellets."
"The 'Discovery' and 'Pellets' have put me on my feet again"—seemed to be just what I needed. I could not have recovered without them."

Dr. Pierce's Pleasant Pellets are for liver ills.

E. W. WILLIAMS, ESQ. Dr. Pierce's Pleasant Pellets are for liver ills.

Household Notes.

Chloride of lime in a weak solution will take out peach stains.
When cooking eggs, add half a lemon and a small stick of cinnamon.
Pure alcohol is an excellent thing to clean black Spanish or Chantilly lace.
Washing a fountain pen every few months will prolong its life many years.
Grated horseradish, mixed with lemon juice, is better than mixed with vinegar.
The secret of boiling rice is to put into it plenty of boiling water at the start.
Cultivate the throwing away habit. Your garret will benefit, also your nerves.
Grubby feathers can be given an alcohol bath, after which they are shaken until dry.
Always shrink and set the color fabric of children's dresses before making them up.
Spreading a little flour on the top of a cake will sometimes prevent icing from running.
Linen should always be soaked a long time before washing. Stains will come out much better.
If woollens are wrapped in newspapers before being put away, moths will not disturb them.
When using melted cheese on sandwiches, remember to melt it in a hot oven and serve at once.
A saving of 1 1/2 to 2 cents may be had by purchasing canned goods by the case or two dozen.
It is best to scald the milk before making a custard. This insures smoothness in the custard.
Acid burns should be dredged

with water and washed with a solution of baking soda and water.
The best sandwich trays for all fresco entertaining are of Japanese bamboo, and have three handles.
For white spots on the nails, a solution of turpentine and myrrh in equal parts is an excellent remedy.
The most obstinate coffee stains can be removed by a solution of lukewarm water and the yolk of an egg.
If candles are well frozen before being lighted, the tallow will not run and the candles will last twice as long.
I cured a horse of the Mange with **MINARD'S LINIMENT.**
CHRISTOPHER SAUNDERS.
Dalhousie.
I cured a horse, badly torn by a pitch fork, with **MINARD'S LINIMENT.**
St. Peter's, C.B. **EDW. LINLIEF.**
I cured a horse of a bad swelling by **MINARD'S LINIMENT.**
THOS. W. PAYNE.
Bathurst, N.B.
A spoonful of oxgall to a gallon of water will set almost any colored fabric, if soaked in it before washing.
Ugly cracks and splits in furniture can be filled with beeswax so that they will hardly show.
If brass candlesticks are disfigured with verdigris, try rubbing them off with a cloth dipped in ammonia.
Moths lay their eggs from May to September; therefore, care should be taken of all woolen garments during that time.
This season the sports coat is very short and apt to be button trimmed.

g-going, now faster, now slower, an hour in the evening, an hour at the dawn; and try to be fond of my red and green mower, my trusty old mower that shingles the lawn. I said to the sawbones: "Say, doc, what's the matter? I'm getting so fat that I can't lace my shoes." He answered: "You'll always get fatter and fatter, for lack of hard labor, that's what's hurting you. Go, forth, be a sprinter, or wrestler or rower, mow your own grass till you harden your brawn." And that's why I sweat with my dingy, rusted mower, my fussy old mower that shingles the lawn. I went to the hay scale this morning and weighed me. I hoped I had lost seven firkins of grease, which and alas, "but the figures dismayed me—I'd gained thirteen pounds, and I called the police! My soul is depressed and my spirits are lower, I hoped to be slender and fleet as a fawn, but now I am done with the limewashed mower, the blooming green whisks; may grow on the lawn.

Bell Island Regatta,
July 26th.

The annual meeting of the Bell Island Regatta Committee took place at Wabana Hall, Bell Island, on Monday, May 19th, and was one of the most enthusiastic meetings ever held by a sporting body on the Iron Isle. Despite the inclemency of the weather, a large number attended, and it was decided to hold the regatta this year on Saturday, July 26th, the whole day being devoted to the regatta alone, while the annual Regatta Ball will be held that night. The business outstanding in connection with the 1912 regatta was finalized, and the annual reports were submitted. The Secretary, Mr. J. M. Greene, submitting the annual report which was quite lengthy and interesting, while Mr. R. Proudfoot, Treasurer, submitted the financial statement showing the committee to have finalized the work of last season with a neat balance on hand. The officers' report being adopted, the meeting was thrown open to the public to form up for this year's regatta, and the election of officers was then proceeded with. Mr. Angus McDonald taking the chair being assisted by Messrs. Archibald and Jardine as secretaries. The following were the officers of the old executive to office, all being unanimously re-elected as follows:—
President—Mr. Chas. F. Taylor.
Vice-Pres.—Mr. C. Maine.
Secretary—Mr. J. M. Greene.
Treasurer—Mr. R. Proudfoot.
It was decided to start work immediately, and with a capable committee, and the veteran executive at the head of affairs. It is thought that this year's regatta at Bell Island will be a record one in the annals of the Iron Isle. We hope to publish the officers' report soon.

FOR WOMEN'S AILMENTS.
Dr. Martel's Female Pills have been the Standard for 20 years and for 40 years prescribed and recommended by Physicians. Accept no other. At all druggists.

SECCOTINE

The most famous adhesive in the world. Sticks everything and is always ready for use. In patent pin stopper tubes, 2 sizes: 10 and 20 cts. It is perhaps true to say that no other proprietary adhesive has ever had such universal use. Seccotine requires no heating or other preparation; it keeps for years and is always ready and liquid. It cements all kinds of materials.

The following are some of the uses to which Seccotine has been put:—
Repairing Bicycles
Repairing Motor Cars
Patching Window Blinds
Repairing Sewing Machines
Mending Shoes
Attaching Book Leaves
Attaching India Rubber Heel Pads
Making Screens
Repairing Pipes
Making Fretwork
Patching Clothes
Mounting Photos
Mending Golf Clubs
Mending Billiard Cues
Patching Umbrellas
Mending Gas Globes
Mending Ornaments
Patching Billiard Cloth
And other articles too numerous to mention. 2 cts. extra for postage.
