They Weren't There!

It was the drawing lesson, and a class of small children were drawing from memory. They had been told to draw a river, with two figures sitting on the bank, one of whom was to be fishing.

The teacher was going round the class, when she came to a small boy who had finished his drawing. She looked at his paper and was surprised to find only a river. "Why, Jack," she said, "where are the two people I told you to draw?" "Well, you see, Miss Jones," he answered, "I'm not very good at drawing people, so I've put up a notice—'Trespassers will be prosecuted!'"

Have you a Suit or Overcoat to be made. Bring it to FARRELL THE TAILOR, Adelaide Street. First class work at moderate prices.—sep128,14
