The Annual Regatta of 1923 was held in the presence of many thousands of spectators who had assembled on the banks of the picturesque Quidi Vidi to witness the various contests and enter themselves in the regatta. The day was a very successful one, owing to the fact that the weather was perfect and the water calm. ### JUNIOR FOOTBALL.

This race was interesting from start to finish. Four boats entered, Nellie R. (Gaelic League); Mary, (B.I.S.); Cadet, (T.A.); Guard, (St. Mary's). The Guard was the favourite. There was little difference at the turning point and up the pond it was a hard grind especially between the T.A. and B.I.S. After passing the C.C.C. Boat House the Guard put on the reserve power and pulled away from the Cadet which was then second, and crossed the winning post with three lengths to spare. The fight for second place was between the T.A. and B.I.S. and was a thrilling one, the latter won and their opponents by a stroke. TIME 10:51 4-5.

Guard (St. Mary's)—J. Husey, (cox) J. Taylor, (stroke); A. Williams, A. Noseworthy, H. Skeans, H. Morgan, C. Williams.

### JUVENILES.

Four boats were in the Juvenile race and here the Mary was again vindicated, when the little East Enders, steered by Charlie Wiseman, rowed her to victory after an exciting race. TIME 11:26.

Mary (East End)—C. Wiseman, (cox); S. Brewer, (stroke); C. Rich, W. Ralph, H. Gardner, F. Warren, R. Critch.

### MERCANTILE.

The Mercantile race saw three crews battle it out. Cadet, (Bowling's); Nellie R. (Marshall's); and Guard, (Harvey's). The Nellie R. was the favourite with the men on the bank, but the crew entered in the Amateur race, and this might have made some difference. The Nellie R. led down the pond till English's boat house was passed when the Guard overhauled her, and both the Cadet and Nellie R. turned together. The Cadet, however, came away with a boat length to the good, and increased this on the way up, winning by a comfortable margin with the Nellie R. second, Guard third. TIME 10:44 4-5.

Cadet (Bowling's)—J. Husey, (cox), A. Wright, (stroke); A. Feaver, M. Feaver, W. Roberts, R. Harvey, Stan Grimes.

### INTERMEDIATE.

The last race before luncheon, was the Intermediate and four strapping crews of young men entered: Cadet (St. Bon's); Guard (St. Mary's); Mary (Star); and Nellie R. (Mount Cashel). The four boats got away together, and it was a pretty race to the buoy, the Cadet having a slight lead. Up the pond it was any boat's race, but the Cadet held her position with the Nellie R. with the Mt. Cashel boys, which had overtaken the Guard, by making a bold bid for first place. They cut up a plucky fight, but the Cadet crossed the line first, Nellie R. second, Guard third, and Mary fourth. TIME 10:42 3-5.

Cadet (St. Bon's)—P. Brown, (cox) J. Dunphy, (stroke); J. Howlett, R. Halley, T. Brownrigg, G. Halley, A. Collins.

### INTERVAL.

An interval of an hour was taken for luncheon. The Committee repairing to the house of Mrs. Fred Willar, where an excellent repast was served. His Excellency the Governor attending as a guest of the Committee. After luncheon His Excellency returned to Government House, and accompanied by Lady Allardice and Miss Allardice were officially received by the Committee at 4:30 p.m.

### FISHERMEN.

The afternoon's programme opened with the Fishermen's race, which is always recognised as the event of the day. Three crews entered, but the blackhead men withdrew at the last minute owing to one of their crew becoming ill, leaving only the Cadet (Outer Cove) and Nellie R. (Portuguese Cove). In the race. Both were fine crews, but Outer Cove was the favourite. Stroked by "Wattie" Power, a nephew of his famous namesake, who stroked the 9.13 crew, they made a splendid race. At the buoy they had a boat length, but which they still increased and crossed with three lengths to spare. TIME 9:47.

Cadet (Outer Cove)—J. Nugent, (cox); W. Power, (stroke); R. Hickey, D. Houston, J. Coady, S. Power, M. Power.

### TRUCKMEN.

Only two crews entered, the Nellie R. stroked by Kearsy, the champion of 1921-22, and the Cadet, with Tom Pico's crew of Central Truckmen. At the start, Charlie Pico in the Cadet, broke his car, and Kearsy seeing the accident, sportsmanlike turned about and rowed back to the stakes while Pico replaced the broken car. This occasioned a few minutes delay, and on the race re-starting, the boats went to the buoy together. On the home stretch the Nellie R. hauled away and at the Committee tent, Kearsy put on an extra spurt and won by three lengths. TIME 10:13 2-5.

### REMAINING EVENTS WILL BE POSTPONED TO-DAY—STORES CLOSE AT 5 P.M.

At this juncture an exceptional heavy downpour caused general disappointment and people hurried off the course in order to escape the rain. After a consultation the Committee decided in the interest of the general public to postpone the remaining races until this afternoon. This met with the general approval of the public, as it was useless to continue under such disagreeable conditions. The Importers' Association agreed to close the stores at 3 p.m. to-day, when it is hoped weather conditions will be favorable.

### HONOURED IN FAR NORTH—MEMORIAL DAY AT STAG BAY, LABRADOR.

Memorial Day was observed at Stag Bay, Labrador, on Sunday, July 1st. All hands being assembled in the fore part of the S. S. Watchful, the master, Captain George Bragg, made a short address to the veterans, officials, and crew, settlers and other subjects of His Majesty there present, as to the nature of the service about to be held. Mr. Warwick Smith then gave an address, taking for his subject the flag for which so many had fought and died both on land and sea and the patriotism which was a manifestation of that greater love which caused men to lay down their lives for their friends.

Mr. Richard White, of Nain, and Mr. Robert Mitchell of Makkovik, then interpreted the gist of Mr. Smith's address to those Esquimaux present who could not understand English. The hymn "Nearer my God to Thee" was then sung, Sergeant Fred Churchill accompanying on the violin. The captain then asked all present to join in saying the Lord's Prayer, after which there was a short silence. The firing squad in charge of Lieut. Leo Hickey and Sergeant-Major F. P. LeGrow, then fired three volleys towards the west. The squad comprised veterans of both the Navy and the Army, and though there was lack of uniform there was no lack of uniformity. The hymn "O God our help in ages past" was then sung, after which the ensign, which had been at half mast, was run up full and the service concluded with the singing of the National Anthem. About half of the crew and officials were veterans.

## The Passing of Rev. Dr. Whelan.

### BODY BEING TAKEN TO NORTH RIVER BY SEBASTOPOL.

On Tuesday Sir Michael Cashin received a letter in the Sagona's mail from the late Rev. Dr. Whelan, who was a very dear friend of Sir Michael's. The letter was written at North West River on July 20th and Dr. Whelan said he was then enjoying excellent health, and never felt better. He further stated that they had a very trying trip getting North, and for two weeks their little boat fought the ice, which were the worst in the history of the oldest resident of the coast. The party, however, were the first to get through Hamilton Inlet for the season, and they passed Butler's Yacht and a party of Americans and Canadians who were also bound across Grosse Water Bay.

The deceased pastor reported that all the Indians who were adherents of his church were present, and besides a number of the Nascope tribe, who were pagans came along and were being prepared for baptism. There were the advance guard and in referring to them the most pathetic part of the letter occurs, wherein he asks that his friends pray "that I shall be spared long enough to gather them all into the fold." He further stated that he had marked out the foundation of a new church that the Indians were going to build.

In his closing paragraph he said that he was feeling absolutely fit, and ready for any work. Yet the Master of us all, willed it otherwise and on July 26th, His servant received the call, and from particulars received on Tuesday, the summons came suddenly and the deceased Priest died peacefully and calmly, sitting in his chair.

On Tuesday Sir Michael Cashin interviewed the Premier, Hon. W. R. Warren and Hon. W. H. Cave, with a view to getting a steamer to call at Battle Harbor for the body, and they very kindly placed the revenue cruiser Sebastopol at his disposal and the ship left enroute for Battle Harbor on Tuesday evening. The remains will be taken to North River by the ship.

As a result of two of the passenger coaches leaving the rails, Tuesday's outgoing express was delayed several hours. The accident occurred about 3 miles east of Howley on a local part of the line.
