

Queens, Sept. 28.—Arrived steamship City of Brooklyn from New York, and Ohio from Philadelphia.

Box 2 persons gain a wonderful control over their features. A newly-married Terre Haute man received a letter from his wife's mother recently, declining an invitation to make her home with them, and not even his most intimate friend detected a look of grief in his eye. He even smiled occasionally during the day. Some can smile with a breaking heart. The prospective brother-in-law of a young Terre Haute set down on a bench in the other evening. His smile as he hastily arose and said, "I think it is cooler near the window, love," was sweet but sad. The boy puts a pillow in his chair this week.

Mr. Masson, of Terrebonne, whose name again comes before the public in connection with the vacant Presidency of the Privy Council, is said to have gone down to New Brunswick to try to come to some understanding on the School question, as a necessary preliminary to his entering the Cabinet. Mr. Masson took strong ground against the course of the Government on this question, and unless conciliation be effected, or the question left in abeyance, he cannot join the Administration.

Mrs. Joseph Dixon, of the township of Guelph, ran a tiny scissor from the rim of a corroded brass kettle into her finger after her hand had been made tender and soft by a day's washing. Soon afterwards, her arm swelled nearly double from the effects of poisonous brass, and the finger had to be amputated.

The annual exhibition of the township of Normandy agricultural society was held at Nemadji, on Wednesday last. The weather was exceedingly fine, and a large attendance of people was present. There were nine accidents on English railways on Friday, Sept. 25th.

Mrs. Bankin, an old and well-known resident of Owen Sound, was accidentally burned on Tuesday, and died three hours afterwards.

TALK OF CHEAP MUSIC.—Ninety-four tenor songs, with full piano accompaniment, full size, for \$1.50. Day's Book-store.

The long established foundry business of Lutz & Co., Galt, has recently changed hands, and Mr. Lutz has retired after an honorable business career of forty years.

It is acknowledged by many prominent physicians to be the most reliable preparation ever introduced for the relief and cure of all Lung complaints, and is offered to the public, sanctioned by the experience of over forty years. When resorted to in season it seldom fails to effect a speedy cure in the most severe cases of Coughs, Bronchitis, Croup, Whooping Cough, Influenza, Asthma, Colds, Sore Throat, Pains or Soreness in the Chest and Side, Liver Complaint, Bleeding at the Lungs, &c. Wistar's Balsam does not dry up a Cough, and leave the cause behind, as is the case with most preparations, but it loosens and cleanses the lungs, and allays irritation, thus removing the cause of the complaint.
