CONNAUGHT WON AFTER HARD BATTLE WITH ITS RIVALS

Second of Sectional Meets Was a Very Successful One

Connaught school again led the schools of its section in the second of the series of athletic meets, which was held yesterday at Mewata park. Haultain third finishing second, Victoria third and Hillhurst a close fourth.

Ideal weather favored the meet, and upwards of 2,000 children and their parents and friends attended the affair, which was even more successful than the one on the previous day at Mt. Royal school. The schools in this section are the largest in the city, and more evenly matched than any others, with the result that competition was keen, and the rivalry existing amongst the schools intensified by the closeness of the competitions.

When it was seen that Connaught was sure to win, the girls of the school lined up 15 abreast and marched around the field, giving their school yells, but not without eliciting just as noisy a reply from the rosters of the other schools.

Girls' Events Provided the Thrills

As usual, the girls' events provided the most excitement of the day, and the excited, enthusiastic youngsters could not be restrained even by the ropes from crowding on the course at times to cheer their favorites on.

It was a repetition of the days of real sport. The inevitable "skinny" was there with his little brother, yelling to his Haultain schoolmate to run like "everything"; you can bet that Connaught kid, etc., etc., while not far away other groups were noisily and energetically debating the merits of their respective schools and digging up past history on the matter with more enthusiasm than accuracy. It was a great day's sport for the youngsters, but a strenuous and nerve-racking task for the officials of the meet.

CENTRALS WIN FIRST RUGBY GAME IN INTERMEDIATE

In One-sided Game Collegiate Boys Defeated W.C.C. by 25 Points to One

New York, Oct. 3.—Two vastly different styles of play, perfected to the utmost point, will meet in battle when the White Sox and Giants tear the wrapper of this year's world series.

John J. McGraw, manager of the Giants, is a graduate of the old Baltimore Orioles, where only the things they taught was hit and run. Clarence Rowland is a graduate of no school save that of his own observation and he pleads for the sacrifice, mixing it with just enough of the hit and run to relieve the monotony.

Hit and run and sacrifice styles have met before, notably in 1913, when the Giants fell before the Red Sox. But never before have two teams come together who both typified highest excellence in these two basic points of baseball strategy.

Sox Lead in Runs Scored

It is saying a lot for the sacrifice style of play to point to the Sox scoring record for the year, during which time they have accumulated fewer hits than have the Giants, but have scored more runs.

The sacrifice play in the one-run game. The devotees of this strategy

Giants Will Play Exhibition With Chicago Cubs Today

Chicago, Oct. 3.—Bring with them the first championship of the world won in the American league in eleven years, the champion White Sox returned today to begin final practice for the world's series, which begins Saturday.

Practice will be started tomorrow morning. Manager Rowland announced. The players will be kept on the field practice all day. Rain prevented the practice game today with the Cleveland Americans, and the players spent the afternoon receiving congratulations from Charles A. Comiskey, owner of the Cubs.

The Giants will play an exhibition game with the Chicago Cubs at Weighman Park tomorrow, to put the Giants on edge for the series.

Notes on the Game

Outside of a few fumbles, C.C.I. played fine. Gordon for the W.C.C. has the makings of a good player. Roseborough looked after the game satisfactorily.

The Rooters for the C.C.I. kept their feet. The W.C.C. line could not hold the fierce bucking of the C.C.I. outfit.

Hanna played an excellent game, his tackling and running being clean and fast.

The boys handling the yard sticks were very slow and delayed the game many times.

Soldier Scored Victory

Winnipeg, Oct. 3.—Private Billy MacKenzie, a member of the Royal Flying Corps, scored a well-deserved victory over Gus Bloomberg of Minneapolis here tonight after 12 rounds of fighting which had the crowd on its feet for most of the way. Both boys showed a willingness to mix, but MacKenzie had the better of the exchanges.

Bill Burke of Winnipeg, knocked out Spider Kelly of Minneapolis in the fourth round of a scheduled ten-round bout. Burke was the aggressor throughout.

Lexington, Ky., Oct. 3.—Rain caused an early postponement of the trotting races today with only one, the 2:18 trot, finished. The Phoenix Hotel for free-for-alls went over until tomorrow with William and Miss Harris M. each with a heat to their credit. William on the pole; led away in the first heat and managed to stall off the stretch challenge of Miss Harris M. The time of this heat, 2:00 1/2, equals the season's race record. Miss Harris M won the second heat in 2:02 1/2, laying the program over until tomorrow. Six horses started.

Hit in Pinch Did It

St. Louis, Oct. 3.—Baird's hit in the ninth inning scored Hornsby with the run that gave the St. Louis Nationals a 3 to 2 victory over the St. Louis Americans in the first game of the fall series today. Loudermilk outpitched Meadows, but poor support cost him the game.

GIANTS AND WHITE SOX HAVE DIFFERENT STYLES OF ATTACK

A. L. Champions Play the One-Run Game, Sacrificing Everything to Work a Man Around; McGraw a Graduate of Old School

believe in using every trick, sacrificing everything in order to get a runner around, once he reaches first base. As a rule among leaders in the American league, pitching is tight enough for a margin of two runs to assure victory. The squeeze play is an amplification of the sacrifice, but despite its use, is sincerely hated by most American league managers, and certainly by John McGraw.

McGraw is a believer in the maxim that a hit is a hit. If a man's going to hit on first, thus placing another run in position to score, declares John McGraw's style may worry Sox.

The hit-and-run style, many maintain, will be disastrous for the American league team that tries to stop it because they will be unconsciously looking in vain for the sacrifice.

This seems to be ungenerous consideration of American league baseball. It seems rather certain to believe that the mixed use of sacrifice and hit and run will make the Sox more cautious, ready for anything, refusing to move far out of position to stop a runner and thus miss a ball smashed through the infield.

Why?

Because we have made good cigars for over 70 years, and thousands of smokers will smoke no other.

So sure are we of the quality of DAVIS' Cigars that we guarantee our merchandise to the dealers, on the money-back principle.

The word "DAVIS" on a band or box of cigars is a guarantee of the finest quality at the price paid.

When you want a DAVIS cigar, see that you get one!
