With deep regret we learn of the death of an old Aylmer boy, Bion L. Michael, which occurred recently at Sault Ste. Marie, Mich., from pneumonia, following an attack of influenza. Deceased was for some years editor of the Express, and no young man ever enjoyed greater popularity. He was a son of the late T. W. Michael, whose memory is still held in reverence by old inhabitants. He is survived by two brothers, Gordon of Sault Ste. Marie, and Thos. W., of Clare, Mich.

In another column of this issue is a copy of a letter received by the Town Council from the Gas Company, in which the latter threaten to withdraw their service from Aylmer unless a higher price is paid for the gas. It would appear that the company are dissatisfied with the price, and we can assure them that our citizens are equally dissatisfied with the service given. We understand the council are giving the matter their consideration, and it is quite possible a public meeting may be held before a definite decision is made.

Will our out of town readers please remember that Saturday next is Victoria Day, and a public holiday in Aylmer. For the benefit of their customers, all places of business will remain open on Friday evening. Friday should be a big business day here. For the holiday Saturday, no special attractions have been provided. About the only event will be the opening of the bowling greens for the season. As usual this takes the form of a contest between rinks representing the President and the Vice-President, and weather permitting there will be a battle royal between the contestants. The greens are in splendid condition, and play is to begin at 9 a.m. Every bowler is cordially invited to be present at that hour and take part.

FRED W. LOVE, Aylmer

TORONTO JOURNAL WANTS AYLMEY PHOTOS

Aylmer Minstrels and Love's Shoe Windows, Getting National Reputation.

The following letter has been received by F. W. Love, from the Shoe and Leather Journal:—

Mr. Fred Love, Aylmer, Ont.

Dear Mr. Love:— We feel quite slighted indeed that you should have sent a photo of your window to the Canadian Consolidated Rubber Company, to insert in their house organ, and didn't even give us a pleasant look at it.

As it is my intention to run an illustration of that great minstrel show you have just pulled off in your town, why not send me down photo of your window and let me run the two together? If you care to do this, please send it right away.

Will you kindly let us hear from you and oblige,

Yours very truly, The Shoe & Leather Journal, Editorial Department.

Pte. Earl Wilkinson has returned home from Siberia, where he has spent the last six months with the Canadian Army Medical Corps. Earl is mighty glad to be back in Canada once more.

Remember the big Sawing Match to be held at Tomlin's Feed Barn, Aylmer, to-morrow afternoon (Friday) at 4 o'clock, new time. Maple logs are to be cut and \$17 is put up in prizes. The admission is 25c. A number of entries we understand have been made and some real good sport is assured. Don't miss this competition of the woodsmen who have been cutting wood in this vicinity all winter.

It is quite evident that the Aylmer Bowling Club is to have a successful and enjoyable season this year. The members held a well attended and enthusiastic meeting at the Stanley Club Rooms Tuesday evening when full arrangements were made for the annual Invitation Tournament to be held on Wednesday, June 11, which will, if possible, be made more successful than any of its predecessors. With Mr. J. P. Coyle, President at the head of an energetic staff of officers, the game will go with a rush in 1919.

The death occurred on Sunday at 12 o'clock, of Charles E. Fugard, a former resident of Dunboyme and Luton, at the residence of his son-in-law, William Darlington, M.C.R. fireman, 96 Malakoff street, St. Thomas, after a month's illness. Deceased was born in Bright, Ont., and had resided in Dunboyme and vicinity for the past 50 years, where he was well known and respected. The family moved to St. Thomas last January. Deceased was in his 62nd year. He was a member of the Methodist church. He is survived by his wife, three sons and one daughter: Frank of Brownsville; Earl, of Hagersville; George, of Luton, and Mrs. C. Robbins, of Harrietsville. Two brothers and two sisters also survive: Robert, of Dunboyme; Thomas, of Aylmer; Mrs. A. Stoner, Aylmer, and Mrs. C. Lossing, of London. The funeral took place on Tuesday afternoon at 2.30 o'clock. The remains were brought to Dunboyme where service was held in the Methodist church and interment was made in the Dunboyme cemetery.

This store will close Wednesdays at 12 o'clock during June, July & August

Rev. Jesse Arnup, of Toronto, spent Sunday with relatives here. Mr. Arnup, who for the past few years has been engaged in very strenuous work, expects to spend the month of July with his family at Port Bruce, and enjoy a well-earned holiday.

Harold Sawyer, president of the local branch of the G.W.V.A. was in Windsor last week attending the convention of the Ontario branches of that organization. He reports a very busy time, and much work accomplished.

The partnership of Messrs. Graves & Tomlin, who have been conducting the big livery and standing in stable on Sydenham street, has been dissolved by mutual consent, and Mr. Tomlin will continue on with the business. An official notice of the dissolution of partnership appears in another column of this issue.

Dr. J. H. Pickering has sold his veterinary practice here to Dr. Herbert Davis, of Woodstock, and will in future devote all his time to his other business interests. His successor, Dr. Davis, did his bit at the front, going overseas with the second contingent in 1915 as a private, and was promoted until he obtained his Lieutenancy in the artillery. Early in the war his brother, Sergeant Fred Davis, was killed in action and another brother, Ray Davis, is still in England. We welcome Dr. Davis to our splendid town, and trust his residence among us will be successful and pleasant.

A business meeting of the Aylmer Minstrels was held last Friday evening, when the financial affairs of that organization were wound up. Owing to the lateness of the season and the fact that it is so difficult for many of the members of the minstrels to get away from their several occupations together, it was decided to entertain the invitations of Dutton and Tillsonburg for future engagements. Tillsonburg was very anxious for a return engagement, as many were turned away the night of the performance there. A motion was passed subscribing \$100 of the Minstrel funds to the Aylmer branch of the Great War Veterans Association, a fact which is greatly appreciated by that organization. The Minstrels have been very liberal with their donations to patriotic causes during the war and during the past three years have subscribed over \$700 for patriotic purposes.

Many from here expect to go to St. Thomas next Saturday, Victoria Day, to see the day's program there. An airplane is expected to make flights during the day. Aylmer's big celebration will take place on Dominion Day.

The death of John Melvin Gillis occurred at his home on Pine street west early Friday morning, May 17th, in his 64th year. Deceased had been in very poor health for many weeks and for the past month had been confined to his bed, suffering intensely for the last two weeks from gangrene, which started in his foot. He received every care that loving hands and the medical profession could order, and death came as a blessed relief to him from his suffering. He

was most energetic and took great home in Aylmer and vicinity all his life, where he was honored and respected by all who knew him. He was most energetic and took great delight in his work. Deceased was the most conscientious man we ever had the pleasure of knowing, and his word was as good as his bond. For years he had been appointed caretaker of the Aylmer Bowling green, which he made one of the very best in Western Ontario. He is survived by his widow and one daughter, Mrs. W. H. Starr, of this place. Also one brother, George, and one sister, Mrs. MacF. Evans, both of Medicine Hat, Alberta. The funeral took place on Monday afternoon from his late residence, and was conducted by Rev. W. K. Hager. Interment was made in Luton cemetery. The floral offerings required a special conveyance.
