LETTER OF THANKS.

the following letter for publication:
To the Editor of the Advertiser:
The baseball season of 1893 having ended, the Alert Baseball Club desires to thank the citizens of London, especially the ladies, for the liberal patronage bestowed upon us during the past season. Our aim has been to provide our patrons with good, honest sport, to uphold the honor of London—the best ball town in Canada—and to be a credit to our native city by gentiemanly conduct on and off the field, at home or abroad. How far we have succeeded in doing this we ask the citizens to judge. If we have satisfactorily entertained the several thousand ladies and gentlemen who have attended our games this season, many of whom would probably have spent their holidays away had there been no games kere—then we are satisfied. Although the pennant for 1893 will not float in London, we have the satisfaction of knowing that we have kept our organization a strictly amateur one, which is probably more than the champions satisfaction of knowing that we have kept our organization a strictly amateur ene, which is probably more than the champions would care to assert. We also ask the press of the city to accept our hearty thanks for the splendid manner in which they have supported us, for we fully appreciate the fact that without their aid and approval it would be very doubtful if we could attain the position we hold at present. The Alerts will continue their organization throughout the winter months, and hope to put a team in the field next spring fully as strong, if not stronger, than the present one, and we hope to merit the continuance of the patronage that has been ours in the past.

IMPORTANT!

"Win a Crown and wear it," is a very good motto. HEINTZMAN & CO. having worked for and obtained a reputation as first-class piano manufacturers, do not feel that they are called upon to share it with any other firm, who by fallacious argument try to make the public believe that the Fiano they make or sell is "just like THE HEINTZMAN," or that it is THE "Heintzman." The public and intending purchasers especially, are asked to hear in mind that there is only one HEINTZMAN & CO. Piano. Our trade mark is registered, therefore do not be induced to buy a piano unless it bears the good old name of "Heintzman Co." It is a safe guarantee that the piano bearing it is reliable in every particular. We have some new and beautiful designs in stock at our London Warerooms, "C. P. M. H." 189 Dundas street. Also some excellent bargains in second-hand Planos and Organs by other makers. Inspection invited, terms easy.

H. W. EURNETT, Manager fo, 1951 have the piano vicinity.

The Alerts' management have handed in the following letter for publication:
