# The Stimulus of Pure Blood

That is what is required by every organ of the body, for the proper performance of its functions.

It prevents biliousness, dyspepsia, constipation, kidney complaint, rheumatism, catarrh, nervousness, weakness, faintness, pimples, blotches, and all cutaneous eruptions.

It perfects all the vital processes. William Ross, Sarnia, Ont., took Hood's Sarsaparille to make his blood pure. He writes that he was all run down, his appetite was gone, and his nerves were so unstrung he could not rest nor sleep. He had tried many remedies without benefit when Hood's Sarsaparilla was recommended and he began its use. Three bottles of this medicine entirely cured him.

Hood's Sarsaparilla Promises to cure and keeps the promise. Accept no substitute, but get Hood's today.

**A Physicians Testimony** 

For Labatt's Stout.

Speaking from personal experience I can state that your Stout is excellent in building up the system—I was very much run down and was advised to use Labatt's Porter—this I have done for some time and I large-ly attribute to its effects my steady improvement in strength and weight.

I deem it but justice to you, and it certainly is a pleasure to me, to add my testimony to its sterling qualities, and I gladly recommend your Stout as an excellent tonic and food in cases where such is required.

## A Red Hot Season.

During the hot summer season the blood gets over heated, the drain on the system is severe and the appetite is often lost. Burdock Blood Bitters purifies and invigorates the blood, tones up the system, and restores lost appetite. True patriots work for their coun-
