her own to live upon?" she asked. pain you by talking against her, especially when she is absent and cannot defend herself," Philip returned with an appearance of honor, though he averted his guilty eyes and a dark flush mounted his brow. "Perhaps," he added after a pause, "I had better leave all explanations until she returns-if she ever does. I can only say that she has conducted herself in such a manner that I felt justified in applying to

Elaine asked, her eyes beginning to 'I did," he replied firmly, "and Arley,

was upon terms of intimacy." "But what did she do that you should feel justified in adopting such extreme measures?" Lady Elaine persisted in a constrained tone, while a small red spot began to burn upon either cheek. She deserted me in the first place, and then upon watching her I discovered that she made appointments with a person in Madrid, and received money from him-you asked how she procured her support-while her in-

timacy with this young Englishman capped the climax." Lady Elaine rose. She would listen to nothing more."
"Mr. Paxton," she began coldly, "1 believe I know Arley more intimately than almost anyone else, for a very tender friendship sprang up between us while we were at Hazelmere; but, in spite of your apparently criminating facts, I cannot believe her to be guilty of the wrong of which you accuse her. I know that Arley was true to the core -that she was pure and honorable in every thought. I know, too, that she loved you with a deep and tender love, at the time of your marriage-she con-

fessed it to me when I questioned her, fearing for her happiness." "Fearing for her happiness!" interrupted Philip, with well-assumed surthough he knew well enough what she meant.

Yes, after what had passed between with burning cheeks, "and then learning of your pecuniary troubles, I could not help attributing an unworthy motive to you when you sought an enwith Arley so soon. questioned her very earnestly, and had she not betrayed so deep and unmistakable an affection for you, I should have felt it my duty to tell her of your previous proposals to me, for I loved her too dearly to be willing that she should be won just for her money." "Lady Elaine, surely you cannot mean to imply that I-" Philip began in an indignant tone, but she stopped him with a motion of her hand, while her lips curled slightly as she continued: There is an old saying that 'a man is supposed to be innocent until he is proven guilty.' What you have told me about Arley is dreadful, but it is sim- cotton bole weevil. ply impossible for me to believe her to be anything save a good and noble woman, without more positive proof than you bring me. The very fact of the stand which she took regarding Ina Wentworth and the fortune which she painless.

the usual social gossip.

I told you a lot about visiting the and girls are employed beside male workers. Mr. Eddy, the dear old gentleman, also makes Buckets and Tubs, Paper and Paper Bags of all kinds. I saw big rolls of paper for the newspapers being loaded on vans to go up to Winnipeg, such big heavy rolls that each one took several men to handle it. But the factory that interested me most in the whole Eddy outfit was where they make Indurated Fiber Ware. This, you know, is that nice looking, reddish-brown ware that you see in the grocers. It is made in m buckets and in all kinds of vessels te from the smallest milk pan to the largest wash tub. You remember on Uncle Joe's farm near Manitou, four loss of Arley's money, made things very awkward for me. Of course, crippled as I was, I could not afford to give her all the luxuries to which she and wasteful and Ungle Ion blowed. years ago, we both remarked now many had been accustomed, nor gratify every Albert for forgelting to keep water in and wasteful, and Uncle Joe blamed them. This Fiber Ware is much lighter grew worse and worse until they finally reached a climax in Madrid. There rough usage than the old-fashioned woodenware. One gentleman in Mr the way we were living, and left me in man, too, jumped with all his weight Eddy's office, and he was a pretty big Still Lady Elaine's eyes rested upon his face, as if she doubted his false basin out of the window, and to my tongue and longed to read the hidden surprise neither of the vessels were injured in the least.

through large pipes in liquid form and You are her friend. I do not like to looks just like gruel. They put it into moulds and by terrible pressure squeeze it into the required shapes. The pails and tubs are then baked hard, then steeped in some sort of indurating liquid and again put into kilns and subjected to extreme heat, from which they finally come out in the lovely way you see them in the Winnipeg stores.

But I must leave off. I am hurrying to get through my preparation for the "exams." Talking of "exams," did e court of Madrid for a divorce."

Fifth race, 5½ furlongs—Mineola, 107 (Redfern), 9 to 5 and 4 to 5, 1; Strephon, 110 (Gannon), 20 to 1 and 8 to 1, 2; Juvenal Maxim, 110 (H. M. Callaban), 9 to 2 and 8 to 5, 3. Time, 1:08 4 5. Radway's Pills are the best medicine for the aged, and persons subject to Constipation, Costiveness, Paralysis and Weakness of the Bowels, Kidneys and Bladder, etc., by taking two or three PILLS will enjoy natural discharges and by the occasional use of them have regular evacuations. In these cases their strengthening and nutritious principles are exhibited; every dose will add new strength to the Bowels, Liver, Kidneys, etc., and a return to a healthy, natural condition will soon be secured.

Price, 25 cents per box.

25 cents per box Sold by druggists or sent by mail. RADWAY & CO.
