BUSINESS SESSION

Reports of Year's Work and

Officers Chosen-Inter-

esting Addresses.

The open missionary meeting held in

Cronyn Hall last evening by the W. A.

M. A., with the Bishop of Huron pre-

ferred to the fact that many people de-

cry foreign missionary work on the grounds that the number of converts

made is insignificant in comparison

with the amount of money spent, and

he argued that the success of the work

could not be gauged by the number of

converts made during the 100 years

that foreign missionary work has now

to become dominant over the social

siding, was largely attended, and intense interest was shown in the prodiscrete was shown i Robinson, Miss Battersby and Mrs. fined her \$25.

In his opening address the bishop re- Craig. \$100-REWARD-\$100. The readers of this paper will be pleased to learn that there is at least one dread-ed disease that science has been able to cure in all its stages, and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they cure now known to the medical fraternity.

Rev. Mr. Ryerson said that among the special claims which the Japanese nation had upon Christians was the fact that feudalism and autocracy had within the past few decades given away to individualism. The speaker faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of tesreferred to the great industrialism of the nation. He said that now was the opportunity for the Christian religion timonials. Address
