Counsel for Sturney Makes Unusual Request, But It Is Granted.

Arguments between Crown Attorney J. B. McKillop, Police Magistrate J. C. Judd and Ed. Meredith, K. C., counsel for the defence, marked the preliminary police court hearing this morning of Ben Sturney, charged with a serious offence against the wife of a Dundas street merchant.

While Crown Attorney McKillop was cross-examining the principal witness for the crown, Attorney Meredith jumped to his feet, exclaiming: "I would like to have this examination adjourned, in justice to my client, as I have had but little inking of the charge that is laid against him." "It is rather unusual to hear a prin-cipal witness and then ask for an adjournment. It is the first time I have

The advent of warm weather had it's effect in relieving the congested conditions which prevailed at the county jail during the early part of the winter. At the present time the number of prisoners confined there is exceptionally light, only eighteen being on the re-

That the comfort bags provided by the nambers of the W. C. T. It was decided to send six bags to Mrs. McLeod, superintendent of the sailors' department, for distribution among the men. Miss Straith, of Owen Sound, stated that three dozen bags from each union would not be too many to meet the demand, as three were placed on a vessel.

An interesting address on the African work of the society was given by Mrs. Straith. Many of the faults attributed to these people were the outcome of vices of the Anglo-Saxon men, she decleared. It was necessary to live among them to completely understand their

#### BURDOCK BLOOD BITTERS CURED A BAD ATTACK OF ECZEMA.

All skin diseases such as Eczema, Salt Rheum, Tetter, Rash, Boils, Pimples, and Itching Skin Eruptions, are always caused from the blood being in a bad condition, and it is impossible to eradicate them from the system unless you cate them from the system unless you put your blood into good shape. This you can very easily do without the slightest trouble by using Burdock Blood Bitters.

It drives out all the humor from the blood, and makes it pure and rich, and not only are the unsightly diseases removed, and a bright clean complexion produced, but the entire system is renovated and invigorated at the same time. Mrs. G. A. Day, Somerville, N.B., writes:—"Last spring I had a bad attack of Eczema. I tried several patent medicines as well as the medicine physician, but they seemed to make the

disease worse. I was advised to try Burdock Blood Bitters, and I did so with the result that in two weeks time the sores began to disappear. I continued to take it until I had taken three bottles and they worked a complete
