# REGULAR LINE OF TRADE SUBMARINES PLANNED BY HUNS

Deutschland's Captain Says His Boat First of Fleet.

WILL TAKE BACK MONEY

Those Who Have Suffered by Blockade Now Expect Relief.

[Canadian Press.]
Baltimore, Md., July 10.—Definite announcement that the German submarine merchantman Deutchsland, which reached Chesapeake Bay yesterday, is the first of a fleet of such craft built to ply regularly in the trans-Atlantic trade, was made here early today by Capt. Paul Konig, master of the super-submarine.

"This is not the only one that is oming," said the captain, "Just wait. There will be more here soon, and we Unable To Withstand Great are going back for another cargo. We are going to have a regular line."

It was to port officials that the cap harbor, where she dropped anchor last night. To newspapermen shouting not so communicative, explaining that a formal statement would be issued later by the representatives of his

The document describes the Deutsch land as "a vessel engaged in the freight trade between Bremen and Boston or other eastern Atlantic ports."

cessary legal documents to or from the cities of the Central Powers. Mort- Their onslaughts were all repulsed. gages have been foreclosed, but it was mpossible to obtain the interest due from Germany and Austria-Hungary. This effect of the blockade has been felt in all the cities of the United States, where there is a large Teutonic

One thing the boarding officers noted particularly. There were no torpedo miles in the rear of the former point tubes or guns of any description visible aboard the vessel. They had been told that she mounted two small calibre

It was learned that the boat left. Bremen with her load of about 750 tons of valuable dyestuffs, which her owners to affect the general situation. Bremen with her load of about 750 tons hope to sell to American manufacturers for a fortune. At Helgoland she waited days, leaving there June 23 to plow deep beneath the surface of the North Sea to escape the watchful eyes of the alifed blockaders. Capt. Konig intimated that the purpose of his long delay at Helgoland was to deceive the enemy, who undoubtedly had heard rumors of the submarine's coming.

Traveled on Surface. This accounted for the belief in the United States that the vessel was a week overdue, a misapprehension that the Austro-German troops.' caused German embassy officials to fear that she had run into allied warships or fallen victim to an Atlantic storm. Once outside the blockade lines and into the Atlantic according to the captain's story, he headed straight across, and only deviated from his course once when he saw what he took to be enemy craft. Most of the time he sped along on the surface, making around 14 knots Two Killed in Action and Two hour with his powerful twin Diesel oil engines. Submerged he could go at

the rate of 71/2 knots. Approaching the Cape, late Saturday the captain found his way apparently clear. He laid to with his decks awash, however, waiting until darkness fell be fore nearing the coast. When the bright half moon went down, shortly after midnight, he put on all speed and shot be tween the Virginia Capes, to be greeted by the tug Timmons sent there more than a week before to await his coming. On board the submarine are the captain, first and second officers and 26 men, all wearing the regulation uniform of the German mercantile marine, with the North German Lloyd insignia upon their caps. The skipper is a trim, slightly-built man of medium height, around

# FRENCH SENATE SHOWS ITS CONFIDENCE IN GOVERNMENT

Paris, July 10 .- The Senate at the last of its secret sessions adopted last evening, by a vote of 251 to 6, a resolution of confidence in the Government. Similar action was taken by the Chamber of Deputies several weeks ago. Among the six who refused to uphold the Government were ex-Premier Georges Clemenceau and ex-Foreign Minister Stephen Pichon.

The resolution notes with satisfac tion the results accomplished by France and her allies in efforts which will assure united action on the front, and counts on the Government to take, in collaboration with Parliament, all the measures of organization and action which will hasten victory."

Twenty Put To Death at Damascus and Beirut on Treason Charge.

[Canadian Press ]

Berne, Switzerland, July 9 .- Refugees from Syria have reached Switzerland, bringing with them the text of a proclamation issued by Djemal Pasha, commander of the Turkish forces in Syria which shows the names of 20 prominent Syrians, including officers, magistrates and journalists, who were sentenced to death for high treason and executed at Damascus and at Beirut. In the proclamation it is said 200 prisoners already have been sentenced for high treason. A warning is given against further secret plots against the holy rights of the Caliphate.
