

W. S. HANEY IS BITTER IN ATTACK ON PREMIER

"I Hate Mackenzie King,"
Speaker Tells Sarnia Crowd
—Criticism Comes.

Special to The Advertiser.
Sarnia, Oct. 8.—Conservative circles have been considerably stirred today by sharp criticism of some remarks made at the meeting last night in the

Interests of R. V. Lesueur. Sir Henry Drayton was the chief speaker at the meeting, but today his remarks have been forgotten in Conservative criticism of W. S. Haney.
During his remarks last evening, Mr. Haney was bitter in his criticism of Hon. Mackenzie King, and dwelt at length on the fact that during war years the present prime minister was not at the front and in uniform. As a conclusion of this portion of his remarks, Mr. Haney turned to the chairman and said, "In fact, Mr. Chairman, I hate Mackenzie King." This sentence is being severely criticized today by men who have been for years among the most staunch supporters of the Conservative party in West Lambton.

MIRACULOUS ESCAPE FROM DEATH EXPERIENCED BY MAN

Special to The Advertiser.
By Staff Correspondent.
Wallaceburg, Oct. 8.—John T. Rankin, a well-known local carpenter, had a miraculous escape from death about 4 o'clock this afternoon, while working on the demolition of the old town hall, upon which site will be erected the new hydro building. He was in the act of throwing over a

steel cable to attach it to a chimney when the cable became entangled in a high-voltage hydro cable, the severe shock knocking Rankin to the ground and rendering him unconscious. The accident was witnessed by a little girl, who called for assistance, and Provincial Officer W. C. Oliver, who lives close by, was early on the scene and rendered first aid to the

unfortunate man, from whose feet he found electric flames shooting out. Medical help was called, and Doctors Cowan and Taylor were soon on the scene, and after giving him medical attention had Rankin conveyed to his home. Several of the injured man's toes, one arm and both hands were very badly burned, and although his condition is serious, it is believed that he will recover. It was some time after the accident before Rankin recovered consciousness.
