First-Class in Design; First-Class in Workmanship: First-Class in Operation, THE ORIGINAL is the ONLY FIRST-CLASS WOOD COOK that has an individuality of its own, dis-tinguishing it from the every day construction offered in First-Class Stoves. The ORIGINAL fulfils every piedge that is made for it, and stands to-day unequalled as a marvel of beauty and practical utility. Modern ideas and new improvements, make it the most economical and convenient stove ever placed on the market. It has the largest High Oven, largest top, largest reservoir, largest due box and flues. Its value is apparent at sight, and builds its own reputation. The lower oven door drops and forms a substantial flush oven shelt, while the upper one re-tains the heat that is wanted from every swinging oven door Cook Stove.
