Pilos Monud, Manitoba, was incorporated last week. WJohn Meintyre died very suddenly at A cignamon bear was killed by Messrs,

Alcock and Granthan in Big Grass, Manitob., Alcock had a narrow escape, as the bear had him down and chawing at him A, young man named George Jones, a novitiste is the art of bicycle riding, was practicing at S. Thomas, when he took a

header and was thrown over the machine, fracturing his arm in three places. About 11 o'clock Friday night John Cash of Windsor, a chronic thief who has "done time" on both sides of the river, was shot in the right thigh by Silas Robinson while prowling around Robinson's hennery.

D. Melatosh, drover, at St. Thomas, has received a cablegram from cattle dealers of Glasgow, Scolland, stating that in future sil Canadian cattle shipped to Glasgow would be placed under the same restrictions as American cattle, to guard against the foot and mouth disease.

There has been a conflict on the Gana-

mission to issue dependers for raising an additional \$40,000 for waterworks purposes, was defeated Saturday by a majority of 12. The question of granting \$7000 for the erection of a town hall was also voted on, and the by-law carried by a majority of

About nine years ago two men had their eyesight destroyed by the explosion of a blast on Kennedy's farm, Bedford. A few years later one of them started a store in the place named, and hired a young woman to attend it. Number two opened a shop at Wilbur, and was very successful. Last week he went to visit number one, and the result was he proposed to the female clerk, was accepted, and a few days afterwards they were married. Number one was the

the other \$400. This was in 1876. The note would mature in a year, but before that time Breckenridge went to Dobbin and offered him the money, asking for the note. Dobbin said he had lost the note, that it was burned. He took an sfii lavit to that time. What that state needs is a society feet, and Breckenridge gave him the for the prevention of cruelty to lawyers. money. Dobbin afterwards gave the idenraise money. The note matured and as it was not paid the holder sued Brecken ridge, who employed a lawyer to defend the case. The lawyer, whose name is Miller, case. The lawyer, whose name is Miller, did not look after the case, and ju igment went by default against Breckenridge. In the fall, when Breckenridge had his harvest gathered, the sheriff came down and sold "durn dose rascals inside oud." him out. Everything went for a "mere song," and the consequence was that Breckenridge was left with his family in exhausted circumstances. In the meantime Dobbin forged a note on Mr. Breckenridge and her spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the decapted and the spouse is out gunning for the spouse is out gunning Dobbin forged a note on Mr. Breckenridge for \$400. Representations were made to the Ontario government about the matter, but in the meantime Dobbin had left the country. A few weeks ago the government had learned that Dobbin was coming up to this country, and Detective Murray was sent after him. Murray got on his track at Morris, and hearing that he had some land about twenty miles west of that point he started after to take the started after the started a hearing that he had some land about twenty miles west of that point he started after him. After several days' traveling he came to Dobbin's house in an isolated part of the country. He found Dobbin cutting hay about six miles from his house. When the warrant was produced Dobbin did not offer any resistance but came quietly a many the description of the country.

his park, and found some strolling players acting a blood-curdling tragedy in vans, with a most lavish display of pasteboard coronets, tinsel, cotton velvet, and imita-tion ermine. He was just in time to catch the following, which will be recognized at once by any one who has ever been in England as the natural expression of the

THE TORONTO WORLD AV ENGLISH FOOILIGHT QUEEN. The Coming of Miss Etlen Terry-1 Pecu

liar but Prominent Figure. From Sunday's New York Journal Hardly second to the interest excited by Mr. Irving himself will be that attending the debut of Miss Ellen Terry in this country. She will be Mr. Irving's principal support in all the plays he appears in and will share public attention in great measure with him. The reports that have been wafted across the ocean accord a high place to Miss Amberstburg Tuesday morning. He was sanstruck at the races at Essex Centre.

Terry, and if we were to beheve all that is said of her, she is indeed a great acthat is said of her, she is indeed a great ac.

> Eilen Terry is a peculiar creature. She has been a prominent figure on the English stage for the past seventeen years, to say the very least, and made a reputation before she ever linked herself to Mr. Irving's dramatic fortunes.

Physically she is a tall, elongated, slim person, a feminine counterpart of Mr. Irving himself. She knows her art, and that is all she does know. Off the stage she is an apparently insignificant weman whom nobody would turn round to look at in the street. She is not pretty, she is not commanding, and she dresses in a more than joined the Lyceum company Mr. Irving put this to her as delicately as he could,

was defeated Saturday by a majority of 12. The question of granting \$7000 for the erection of a town hall was also voted on, and the by-law carried by a majority of eleven.

Workmen are preparing to lay the rails on the Ontario and Quebec railway, across the narrows at Sharbot lake and alongside the Kingston and Pembroke railway. The rails betweed Perth and Sharbot lake will be laid by the end of this week. Ballasting will proceed as rapidly as possible, and there is every probability that by September 1 passenger trains can be run over the route.

About nine years ago two men had their eyesight destroyed by the explosion of a

Phillips was astonished by the appearance of the agents with a pile of rods which they proceeded to unload. He protested that he did not order and would not accept them, whereupon the men exhibited the order and threatened to sue Mr. Phillips. They convinced him that they could carry out this threat and put him to an expense of \$50 or more in addition. He gave a note for the \$150. He can probably realize only a small fraction of \$150 on the rods delivered.

After Nine Yeahs.

An Ontarie Ferger Captured in Manitoba—
To be Tried in Minecee County.

From the Winnipeg Sun, August s.
Some years ago John Breckenridge, an honest immigrant farmer, came to the county of Simcoe to settle. John Dobbin, a farmer who had a small farm, bothered Mr. Breckenridge till he purchased it. The

Mr. Breckenridge till he purchased it. The price was \$1200. Of this amount Breckenridge paid \$800 cash, and gave his note for the other \$400. This was in 1876. The Smiles for Breakfast.

In Michigan a citizen is allowed by law to have his will probated during his lifetime. What that state needs is a society for the prevention of cruelty to lawyers.

It is said that a cricket's chirp can beheard 800 yards. When one of 'em gets under your bed and begins to tune up, it seems as though he might be heard about twelve miles.

A couple of tramps went into a lager theer saloon and drank a quantity of beer for which they had no money to pay. The

called in a magnetic physician to see her. The woman now has a voice like a foghorn, and her spouse is out gunning for the doc-

"Sam," said a white man, "you are looking mighty pleasant—you're always looking pleasant." "It's 'cause I's happy, boas." 'Why, Sam, what have you got to make you happy?" "Boss, I's happy, 'cause I's alive."

"I've got another," said the Prince of Wales to the Marquis of Lorne; "why is a preposition like a glass of beer?" Give it up," said the marquis. "Because you can't decline it," replied his royal highners" "Let's have something," remarked Loine. Wallbridge this morning on a writ of babess corpus and his lordship granted an order that he be removed to the county of Simcoe, Oat, for trial.

"Let's have something," And they had something, In Eogland all wedding

Simcoe, Oat., for trial.

High Mfe as Represented by Strolling Pisyers.

Harper's Magazine for September.

One morning not long since a gentleman in Wales walked down to the boundary of his park, and found some a gentleman of a chance to clope with some Americans.

Bon-Bons For the Belles.

A Philadelphia girl owns a pet dog that eats ice cream. And yet she wonders why she can't get a beau. In this country heiresses clope with coachmen, but in Italy they take a step lower in the social scale. In Rome a duke's daughter has cloped with a poet! Girls don't disgrace their families that way in this

A Chicago girl at times imagines herself to be an angel. Queerly enough, one of the t mes when she doesn't indulge in such an hallucination is when her mother makes her fly. That is, makes her fly around and help her fry slapjacks for supper.

He, attempted

A Toronto Bank President Says it is All

From the Winnipeg Sun.

H. S. Howland of Toronto, who is president of the Imperial bank, is in the city. commonplace fashion. Shortly after she Referring to the business outlook here, he said he found it much better than he had expected. The impression prevailed down There has been a conflict on the Gananoque polics force, composed of Chief Actra and Constable Murchie. They refuse to "dwell together in harmony," and a day or two ago they come near exchanging blows. It appears the chief wanted the constable to do certain things, among them to wake him up in the mornings.

The by-law submitted to the people by the Loudon East council, giving them permission to i-sue debentures for raising an additional \$40.000 for waterworks purposes, was defeated Saturday by a majority of 12. The question of granting \$7000 for the content of the cont west does not exist. Mr. Howland believes that business will not become any worse here, although he thinks that rents and the cost of living must still suffer a large reduccost of living must still suffer a large reduc-tion. The sooner, he says, things can be worked down here to legitinate hardpan, the better for business and the country. Mr. Howland believes that many merchants take advantage of the "hard times" cry here to make an 'ssignment. It became fashionable, and many who need not have failed, did so to get clear of their debts.

COMING IN THOUSANDS. vernment Scheme for Wholesale Emi-

gration to Canada. The British government has decided to officially undertake to aid Irish emigration on a colossal scale. The proposition made by Chairman Stephen of the Canadian Stephen offered to settle 50,000 Irish poor, in families of five each, upon stocked and equipped farms in the neighborhead. result was he proposed to the female clerk, was accepted, and a few days afterwards they were married. Number one was the groomsman.

George Phillips of Hallowell has been badly swindled. Two men, agents for a lightning-rod company, so pictured the profits to be made by seling rods, that he consented to act as agent for the company. An innocent-looking paper was presented and he signed it. This paper was an order for \$150 worth of rods, and in a few days Mr. Phillips was astonished by the appearance of the agents with a pile of rods which they proceeded to unload. He protested that he stage severely missed when she married as the proceeded to unload. He protested that he stage severely missed when she married as the proceeded to unload. He protested that he stage severely missed when she married as the proceeded to unload. He protested that he stage severely missed when she married as the proceeded to unload. He protested that he stage severely missed when she married as the proceeded to unload. He protested that he stage sate is said to have the when on the stage she is said to have the when on the stage she is said to have the most remarkable magnetism and to have the most remarkable magnetism and to have the most remarkable magnetism and to have the most remarkable magnetally scephen offered to settle 50,000 Irish poor, in families of five each, upon stocked and equipped farms in the neighborhood of Wunnipeg, paying all the expenses of moving and settling them, providing the government loaned the syndicate £1,000,000, the lightest cash price for Ladies, and pillows for sale.

The providing the equipped farms in the neighborhood of Wunnipeg, paying all the expenses of moving and settling them, providing the government loaned the syndicate for the sy in families of five each, upon stocked and equipped farms in the neighborhood of Will pay the highest cash price for Ladies' and Gentlemen's Cast of Clothing. Orders by mail their holdings in fee simple at any time upon the payment of \$500.

The government at first favored the proposal, but finally decided to lend no official endorsement to any railway schemes of imprigration. The government took up Luid Dufferin's ideas, and to-day decided on undertaking to carry them out. A special conference was summoned at the Mansion house. After a long discussion an elaborate scheme of assisted emigration was resolved upon, based on the principles of the Scates homestead laws. The details of the scheme are not yet ready to place before the public, but it has been decided to move from Ireland, and settle in Canada 200,000 poor lirish in families.

Ten thousand families to average five persons cash, aggregating 50,000 people, will be moved next spring, and the traits portation will be continued as rapidly as the territory to be occupied can be got ready. Those to be removed next spring will, it is understood be placed upon the lands offered by Chairman Stephen, which the government will accept. These lands will be divided into excitors of 100 are a lands and size of the scates of the sc
