The reason why "Non-such Washing Compound" should be used in preference to all other washing preparations. First, it is perfectly harmless. Second, it saves more than half the labor. Third, it is the cheapest in the market. Many more things can be said for this compound, but they can be given but this should be sufficient. For sale by all grocers. Lowland & Co., Wholesale Agents for Toronto.

De Mortals Nil Nisi Bonum. From the Bobonovos Independent. Vendor traded on the popular delusion regarding the forecasting of weather. His guesses were remarkably incorrect. However he has gone, and there's an end of it.

West Toronto Junction is the rising suburb of the city and a few dollars invested in a lot there will soon double itself. Geo. Clarke of the L.L. Co. is offering a few lots on terms that are acceptable to all. An acre for \$10, and \$2 a week for 182 weeks will purchase a fine lot 50x150 at the Junction, including interest and taxes.
