THE FILLIES' BATTLE ROYAL

GREAT INTEREST IN RACES FOR ENGLISH 3-YEAR-OLDS.

The Board of Arbitration Meeting—Toronto Amateurs—Yesterday's Trap Shooting—A Great Pigeon Match—Many Curling Matches in the Tankard Series—Three Canadian Fighters and Buffalo.

Greater interest will be taken in the races exclusively for 3-year-old fillies in England for 1890 than has been paid to such events for some years. The honors of winning the 2-year-old stakes of 1889 were fairly divided among such female "stars" as Signorina, owned by Chevalier Ginistrelli; Semolina, owned by the Duke of Portland, and Riviera, owned by Mr. Henry Milner; they winning thirty-one stakes in all. With such a record it is but natural that the issue of such events as the One Thousand Guineas at Newmarket on May 2, the Oaks at Epsom on June 6, the Coronation Stakes at Ascot on June 18, and from a mixed standpoint in the matter of sex the St. Leger at Doncaster on Sep. 10 should attract more than ordinary attention. Nor are the fillies named the only ones that have claims on the One Thousand Guineas and Oaks. For among the entries for both races are several that won good races in 1889, including Mr. Warren de la Rue' Dearest, who beat Riviera for the Kempton Park Great Breeders' Produce Stakes of £6,477; the Duke of Portland's Memoir, winner of the Bradford Plate at Leicester and Prendergast Stakes at Newmarket; Mr. Rose's Arcadia, winner of the John o' Gaunt Plate at Manchester and Royal Plate at Windsor; Duke of Hamilton's Fear Disgrace, winner of the October Post Produce Stakes at Newmarket, with Lord Alington's Bena, Mr. J. H. Houldsworth's Powza, and Col. North's Star of Erin, winners of races of more or less value.

A Pleasant Day at Clifton.

NEW YORK, Jan. 29.—The sixtieth day of racing at the Clifton track without a single day's postponement, was as pleasant as could be desired. The weather was springlike and the track in capital condition. The results:

First race, selling, 6¼ furlongs—Avery 1, Lakewood 2, John Atkins 3. Time 1.26½.
Second race, purse, ⅝ mile—Lemon Blossom 1, Puzzle 2, America 3. Time 1.05.
Third race, purse, ⅝ mile—Crispin 1, Edward F 2, Now Then 3. Time 1.05.
Fourth race, selling, 1 mile—Prodigal 1, J J O B 2, Umpire 3. Time 1.44¼.
Fifth race, selling, 1 mile—Autocrat 1, Mulligan 2, Pericles 3. Time 1.45½.
Sixth race, 6½ furlongs—Courtier 1, John Atkins 2, Lady Archer 3. Time 1.25¼.

Should Ladies Ride on a Cross Saddle?

"Silver Spur" sends the following pointed letter to The Field and Country Gentleman, an English publication:

As a brother of three sisters, who all hunt and ride hard, will you allow me to say a word in favor of ladies riding on a cross-saddle!

I have seen two of my sisters only saved from bad, if not fatal, accidents by the quietness of their horses, which stood still when they were hung up on the pommels by their habits.

Except that it is not the custom, where is the harm in ladies riding astride. I think the great majority of medical men agree that they are not more liable to injury than men—in fact, not so much so. The only thing is the costume. I can see nothing more immodest in a woman wearing a smart sort of tunic, with loose knickerbocker breeches and neat butcher boots, than it a skin-tight habit, which certainly shows more of the figure than the other dress would.

With regard to stout, elderly women and mothers of families—well, in my humble opinion, they are rather out of place in the hunting field at all, except on wheels.

In South America the ladies frequently ride astride without being thought immodest. However, "Honi soit qui maly pense."

Gossip of the Turf.

David Bonner says that while in California he saw yearling trotters that would readily pass for three or four-year-olds in New York.

If the American papers are correct, we are to have a Yankee jockey in England this season. The horseman in question is "Snapper" Garrison, who was to leave New York on Jan. 4 with George Smith. Garrison, it is stated, may stay in this country, and hopes to have a mount in the Derby.—English paper.

George Middleton, owner of the bay gelding Jack, offers to match Jack against Belle Hamlin for a stake of $30,000, the two horses to enter all the free-for-all races on the circuit. Owners of trotters like to deal in futures and large figures. The offer is absurd and its acceptance would be received with some little suspicion.

The sale of thoroughbred yearlings during 1889 shows a fall in the average. During the year 862 head offered brought $536,845, an average of $622.79. This is a falling off from 1888, when 778 head brought $520,238, an average of $667.82. High-water mark was reached in 1887, when 692 head brought $465,395, an average of $672.54. In 1886, when only 463 head were offered, they sold for $362,484, an average of $782.90. Thus in four years the falling off in the average is $160.11, but the number of yearlings offered has increased 401, or nearly doubled.

Hanover's name appears among the nominations to many of the stakes of the New York, Coney Island and Brooklyn Clubs and the fact has aroused a great deal of conjecture as to whether he could be considered a dangerous candidate. When Hanover ceased racing in August last at Westchester it was because he was in a very bad way. He had a badly bowed tendon and it was generally given out that he had run his last race, and the Dwyers were ready to sell him for stud duty. Mr. Haggin did not want him and it is well known that there was some sort of proposition made to Major Thomas to take him, but it fell through.

Walkerton Wins From Wiarton.

HARRISTON, Jan. 29.—The first draw in group 14 between Walkerton and Wiarton was played here this afternoon resulting in favor of Walkerton by 25 shots.

BUFFALO FIGHTING NEWS.

Gilmore in Bad Odor—Pattillo Said to Be in Collusion—Smith's Challenge.

BUFFALO, Jan. 29.—The Erie County Athletic Club are decidedly sour on Harry Gilmore. President Griffin to-day expressed the opinion that the pugilist was a humbug. The club thinks Pattillo concerned with Gilmore in the latter's evasion, and while they are satisfied that Pattillo would make an interesting fight with Hanley, they are not satisfied but that Pattillo and Gilmore were in collusion, and the latter delayed notifying them up to the very last moment so as to force Pattillo into the breach.

Jack Smith who poses as the champion light-weight of Canada, although for some time a resident of this city and engaged in business here, hopes to get some fame from Gilmore's failure to meet Hanley. He publishes a card in which he says: "As Gilmore is unable to meet Hanley I am willing to take his place in one month from date before any city athletic club. If this is accepted I am perfectly willing to post a forfeit of $100 in the Third National Bank as evidence of good faith."

The Inter-provincial Match.

Secretary J. S. Russell is somewhat disappointed at the poor response to his circulars asking for outside rinks to compete in the inter-provincial match here on Feb. 1. As yet only Millbrook, Barrie, Cobourg and Ancaster Thistle have promised but Peterboro and the Hamilton Thistles will no doubt materialize. However there will be no lack of men owing to Toronto's large possession of curlers. Already 11 Toronto rinks have promised to go to Montreal on March 1 for the second portion of the match. There is still a possibility that the big bonspiel will fall through but the Ontario branch is bound to do its part faithfully.

The Toronto Rugby Club.

A meeting of the Executive Committee of the Toronto Rugby Football Club was held last evening in Keachie's, when it was decided to hold the annual dinner at the Arlington on Feb. 21. The club will have its picture taken on Saturday next. A long discussion took place re the Ottawa College protest to the Union concerning the challenge cup. Messrs. Van Koughnet and Boyd will represent the club at the meeting of the Union to be held shortly.

Postponement in Group 9.

On account of mildness of the weather the competition in group 9 set for to-day in Toronto has been postponed for a day, the same arrangements to hold good. Orillia, Brampton and Markham were notified by telegraph last night.

Toronto Cricket Club.

A meeting of the Toronto Cricket Club committee will be held this afternoon to discuss Mr. Creelman's Island ground's scheme which has appeared in The World. It is important that the matter be fully discussed before coming before the club next Monday night.

The Victoria Hockey Club.

A meeting of the members of the Victoria Club, who are interested in hockey was held yesterday afternoon at which Mr. H. L. Peiler was elected hon-secretary, and Messrs. Gamble Geddes, Victor Armstrong, C. Swabey and C. K. Temple were appointed a committee to formulate a basis for the permanent establishment of a hockey club in connection with the Victoria Club.

The committee will report fully to a general meeting to be held at the club on Tuesday evening next, at 7¾ p.m., which all members of the club interested in this fine game are requested to attend.

The first regular practice will be held on Saturday evening next at 10 o'clock.

BOARD OF ARBITRATION.

The New England League Admitted to Protection of National Agreement.

NEW YORK, Jan. 29.—The National League Board of Arbitration in session here to-day considered the differences between the Atlantic Association and the New England League. The board decided that the New England League, consisting of the Lowell, Worcester, Springfield and Hartford clubs should be admitted to the protection of the qualified articles of the National agreement upon tendering their resignations to the Atlantic Association, and to the Lowell, Worcester and Hartford clubs of the same to be furnished to the board of arbitration.

North Toronto's Baseballists.

North Toronto possesses a very great number of baseball players who only lack a ground or there would be a strong club in that quarter. However, the Yorkville baseballists are agitating the matter and no doubt before long will secure a field to practice in. Already the personnel of the proposed team is announced. The players are: Somers, 1st base; Lawson, 2nd base; Murphy, s.s.; McIntosh, 3rd base; Prentice, c.; Smith, p. Then there is Tom Mitchell and several others for the outfield. A meeting will be held shortly, when the organization will be perfected. Success to the boys.

Dust From the Diamond.

Cyclone Jim Duryea, the St. Paul pitcher, has signed with the Brooklyn Brotherhood.

The trial of the Ward baseball case will probably occur about the middle of February.

The baseball scene by the Pinauds at the Academy this week is ridiculously funny.

The result of the Ward case delighted the Brotherhood men everywhere, but the litigation is not over yet.

The Chicago League team will go to the Hot Springs about March 1, and then start on a long Southern tour.

Second Baseman Robinson of the St. Louis Browns has signed with the Pittsburg players. Catcher Brennan goes to Cleveland and Von der Ahe continues to droop.

A novel sight was witnessed at the Upper Canada College grounds yesterday when the boys practised fungo batting for over an hour. Great sport for February!

The first woman, so far, identified with baseball is Mary Tiner of Philadelphia. She was a witness when Denny Fitzgerald of the Athletics, signed his contract.—N.Y. Herald. How about Lem Felcher's Amazon's that flitted over the Toronto grounds last fall.

There are more men looking for positions as umpires than in any previous season for years back. The umpirical position doesn't seem to have so much terror for beginners as one would imagine. They call him "the poor umpire," but "the poor umpire" is generally well paid for his trouble, and plenty are willing to be martyrs.

Spots of Sport.

Kingston wishes the St. George's Hockey Club to visit the limestone city next month.

The St. George's Hockey Club has challenged the Upper Canada boys for a match at an early date.

A Decision Against the Grand Trunk.

Mr. Justice Robertson yesterday handed out a judgment for $70,381 and interest from September, 1888, and costs of the suit against the Grand Trunk Railway in favor of the county of Halton. This sum represents the bonus given by that county to the Hamilton and Northwestern Railway, and is claimed back because of violation of the condition under which it was given, namely, that that road should not be transferred to or combined with, any other road. It afterwards became and is now a part of the Grand Trunk.

FROM CATARRH TO CONSUMPTION.

The Number of Persons Who Died in Toronto Last Year of Consumption Simply Astonishing.

In most cases it was the result of neglected Catarrh, which is the certain forerunner not only of Consumption but Asthma, Bronchitis and Deafness. The disease steals so gradually into the lungs that the patient scarcely believes them affected, and before he is aware of his true condition the disease has asserted its dominion and he becomes an unwilling slave to its ruinous consequences. The thousands of douches, snuffs, inhalations and patent medicines have proven time and again to be perfectly worthless, and the unfortunate patient after trying them all often believes the disease is incurable, and applies to his family physician for treatment; although skilful as he may be he, too, generally fails. And why? The answer is very easy. His mission is to treat every ailment with which mankind is afflicted, which are numbered by thousands, and the many varieties of Catarrh require just as many kinds of treatment to suit the special requirements of each individual case. Such a treatment can only be given by physicians who make this disease a special and exhaustive study. The physicians of the Medical Institute at 198 King-street west have for years devoted their whole time and attention to the treatment and cure of this disease, and would refer any one wishing to be cured to hundreds whom they have cured as positive proof of their success. Call on us, and if your case is curable we will so inform you; if incurable we will tell you that. Office hours 9 a.m. to 8 p.m., Sundays 1 p.m. to 3 p.m. Medical Institute, 198 King-street west

THE SNOW BLOCKADE.

Strenuous Efforts to Clear the Central Pacific Track—Deaths in the Drifts.

SAN FRANCISCO, Jan. 29.—The rotary plow which has been making a big fight in the Sierra Mountains toward raising the blockade on the Central Pacific broke down yesterday in the final drift near Cascade. The plow had been working fifteen days continually. Only 200 yards of snow bank remained. An army of shovelers worked all night under double pay to clear away the snow obstructing five cars of delayed mails sent west from Reno last night.

John Coughlin, telegraph operator at Cisco, died at his lonely station four days ago of pneumonia. Three men including a doctor, who went to his aid on snow shoes, arrived too late to save his life.

Mrs. McVean died at Truckee Monday of diphtheria while on one of the delayed trains.

Yesterday Lucia Zaretta, the Mexican midget, said to be the smallest human being in the world, a passenger on the same train, died at Truckee from gastric fever.

Bloomer of Virgille, N.Y., writes "Dr. Thomas' Electric Oil cured a badly swelled neck and sore throat on my son in forty-eight hours; one application also removed the pain from a very sore toe: my wife's foot was also inflamed—so much so that she could not walk about the house; she applied the oil and in twenty-four hours was entirely cured.
