Let us familiarize conselves with all new measures that are really important, such as the bill for establishing township boards of trustees. Not necessarily to support it, but to be able to intelligently discuss it. There was a veritable storm of protest against this bill when it was first brought out. A study of the bill retained to the school's at the least cost to the rate-payers. By the present system of electing school trustees, it often happens that very unfit men are elected, as so flew men attend the meeting that it is hard to get anyone suitable for the office. Most mothers seem to think their duty well done if they get the children to school promptly and regularly. But is there nothing else you can do to help the teacher and the children?

nouse, with such force that I saw stars in more than one constellation. In 1859, he was preaching in the Methodist Church, near where the Geddes store now stands in Strathroy, and in his own unique and inimitable manner, protrayed the beauties of heaven. In those distant days many in the pews would punctuate the sentences of the speaker with hearty outbursts of "amens."

Brother Jimmie Cooper, who sat in one of the square pews, in a rather dubious manner uttered "a-m-e-n."

Crumlin sent two girls to the Western University short course. South Yarmouth had an oratorical contest in twelve schools. Tavistock is installing lights in all the schools. Aberarder furnished light for the young people's social meetings, Brooke has educational papers and talks at every meeting, also has patriotic studies. Excellent reports also came from Irwin, Kingsmill and Mapleton and Lyons branches. in Port Lambton, where the young people were to have a dance, and for a joke invited Uncle Joseph to be with them, which he accepted. He was promptly on hand at 8 o'clock and ascended the platform, improvised for the fiddler, gave out a hymn, prayer delivered a sermon (the young people joining in the service), and bidding all a good nght, said he was done, and they might proceed with their part of the program. A biography of Joseph Little was written by some one, but I never got a copy, but would be pleased to do so.

Wholesome Cleansing Refreshin

Cold-on-the-chest, and stubborn Coughs are speedily relieved by the soothing and healing fumes given off by Peps tablets.

Peps comfort and strengthen weak chests. They heal sore irritated membranes, clear the bronchials of obstructive phlegm, and soon over-come the wheeziness, breathing diffi-culty and painful cough.

Breathing Peps medicine into the chest is safer and vastly more effective than swallowing druggy cough-mixtures into the stomach.
