PORTABLE BOILERS WITH WATER FRONT AND OPEN BOTTOM FIRE-BOXES.  
15 to 150 Horse Power.

## BOILERS FOR THE KLONDIKE.

The Locomotive Fire-Box Boiler has entirely superseded all other forms for the Northern trade.

They have many advantages over the Water-Tube type, being more economical and very much more durable.

We have on hand, ready for immediate shipment, a large stock of all sizes ranging from 8 to 50 horse-power.

We would be very glad to have you correspond with us and will furnish any information required with pleasure.
