WANTS

If you want a particular lot of lumber, or have one
to dispose of, if you want to buy or sell timber
limits, if you have a mill for sale or want to buy one,
if you have a piece of second hand machinery to dis-
pose of, or want one, if you want a situation, if you
want an employee for any purpose, an inexpensive
advertisement under the heading of "Wanted" or
"For Sale" is the easiest and quickest way to accom-
plish what you wish.

An advertisement in the CANADA LUMBERMAN is the
cheapest and best salesman you can employ, it is not
only always on the road, but on all the roads at once.

POWER HACK-SAW—Cuts off any size or
shape of metal up to 4 1/2
inches. This is the most practical machine ever offered to
the trade. No skill required to run it. When the
bar is cut off the tape, hinge automatically lifts the saw from
the work and stops. Write for photograph and price.
