Domestic and Foreign Missionary Society of the Church in Canada.

The semi-annual autumn meeting of the Board of Management of this Society will be held this year in Quebec, on the 10th and 11th days of October.

This Board is composed of all the Bishops of the ecclesiastical Province of Canada and two clerical and two lay representatives from each Diocese, and is entrusted with the administration of all the funds raised for Foreign Mission, as well as those for Missions in Algoma and the North West, which come under the designation of Domestic.

By means of two annual appeals, addressed to all the congregations of the ecclesiastical Province, the Board endeavours to infuse an interest in missionary work and awaken a sense of our Christian duty to support it: and through its monthly magazine it supplies information of that work well calculated to increase and maintain a hearty desire for the extension of Christ's kingdom on earth.

In connection with the meeting of the Board of Management, a public Missionary Meeting will be held on the evening of the 10th October, when addresses will be given by the Lord Bishop of Nova Scotia, the Lord Bishop of Niagara, the Rev. G. Osborne Troop, M. A., of Montreal, and other prominent members of the Board.

Arrangements have also been made for a meeting in Quebec at the same time of the representative body of the Women's Auxiliary to the D. & F. M. S., composed of official delegates from every Diocese, besides the triennial meeting held in

Montreal during the sessions of the Provincial Synod, this representative council of the Women's Auxiliary meet once a year, and, since for purposes of consultation it is convenient to assemble at the same time and place with the Board of Management, their annual meeting will be held this year in Quebec.

We venture to express our conviction that great benefit cannot fail to result from the consultations of these representative bodies, guided as we trust every individual member is by a single eye for the honour and glory of God and the advancement of His kingdom on earth.

The Lord Bishop.

The Lord Bishop sailed for England in the S. S. "Laurentian" on September 16th, and arrived at Liverpool on Monday afternoon, September 24th. He will return (D. V.) by the R. M. S. "Parisian," leaving Liverpool on October 25th, and arriving in Quebec about November 3rd.

The Ven. Archdeacon Roe has been appointed to act as Commissary during the Bishop's absence, and all necessary business should be referred to him. His address is now Windsor Mills, P. Q.

Cathedral of the Holy Trinity.

The Dean and the Rev. H. J. Petry will be responsible for the Sunday Sermons during the greater part of the month of October.

The morning Sermon on October 7th, (20th Sunday after Trinity), will (D. V.) be delivered by the Rev. Canon Von Iffland, and it is hoped that one of the eminent Bishops or Clergy, attending the meeting
