self-help

You are weak, "run-down," health is frail, strength gone. Doctors call your case anæmia—there is a fat-famine in your blood. Scott's Emulsion of cod-liver oil with hypophosphites, is the best food-means of getting your strength back—your doctor will tell you that.

He knows also that when the digestion is weak it is better to break up cod-liver oil out of the body than to burden your tired digestion with it. Scott's Emulsion does that.

BIRTH.

At St. Andrew's Manse, Sherbrooke, on Sunday, the 23 d ult., the wife of the Rev. Wm. Shearer, of a son.

On Saturday afternoon, August 22, the corner stone of the new French Presbyterian Church, Cornwall, was laid in the presence of a large Assembly. The chair was taken by James Dingwall, Q.C., chairman of the Building Committee, who delivered a short, appropriate address. The Hundredth Psalm was sung, after which the Rev. Jos. E. Charles, B.A., the pastor, read the Scripture both in French and English. The Rev. Dr. Amaron, of Montreal, offered up prayer in French and the Rev. James Hastie, of Knox Church, did likewise in English. The corner stone was then laid by Dr. Amaron in due form, followed by an eloquent address in French and a shorter one in English by the rev. gentleman. Short congratulatory speeches were delivered by Rev. Mr. Currie, Baptist; Rev. E. Tennant, Methodist; Rev. N. A. McLeod, B.D., of Woodlands, and John Matheson, B.A., of Martintown, Presbyterian. The usual offering was made, and the interesting proceedings were brought to a close by singing "God Save the Queen," and with the benediction. The building is to be finished before Christmas. The architects are Messrs. Brown and McVicar, of Montreal, and the contractor, Mr. James Johnston, Cornwall. The venerable Dr. Chiniquy was invited to lay the corner stone, but a telegram was received a few days before saying he could not be present, and Rev. Dr. Amaron was obtained, who discharged the duties of the hour to the satisfaction of all. Mr. Charles has labored very zealously for the past two years, and has good reason to be encouraged in his work in Cornwall and elsewhere in the Presbytery of Glengarry.

FREE! We direct special attention to the following remarkable statements

Dear Madame:— Yours to hand. I recommend the Moore treatment because I have tried it, and know it to be just what he says it is. I was cured by it, and have remained so eight years; have known of many others being cured of the very worst cases. By all means get it. Yours truly, W. E. PENN.

EUREKA SPRINGS, ARK., May 21, 1894.

The above is a letter written by the late Rev. W. E. Penn, the noted Evangelist, to Mrs. W. H. Watson, New Albion, N. Y.

Cured in '92, Well in '96.

34 years ago I had risings in my head, had Catarrh 30 years, hearing failed, for many years could not hear loud conversation two feet away, had continual roaring in ears, hoarseness, throat sore and dry, intense pain over eyes, and "stopped-up" feeling in my head. General health so impaired was not able to work. I used Aerial Medication in 1892. It stopped the roaring, pain and soreness in my head and throat, fully restored my hearing, and for four years have been free from Catarrh, and able to work.

WM. F. BOWERS, Howell, Ark.

Aerial Medication has triumphed and I am cured. One thousand dollars would be nothing compared to this. I have had bitter suffering from Catarrh. Since I had La Grippe the disease settled in the back of my head and my sufferings have been almost unbearable. I thank God I ever heard of your treatment, which has no equal. I can speak in the highest terms of Aerial Medication. MISS E. S. ORR, E. Harpswell, Maine.

Medicine for 3 Months' Treatment Free.

To introduce this treatment and prove beyond doubt that Aerial Medication will cure Deafness, Catarrh, Throat and Lung Diseases, I will, for a short time, send Medicines for three months' treatment free. Address,

J. H. Moore, M.D., Dept. B. I., Cincinnati, O.

The publisher of this paper has reliable information that Dr. Moore is a reputable physician, and recommends every interested reader to write him at once and investigate Aerial Medication. CANADA PRESBYTERIAN

OXFORD

Boilers and Radiators

FOR HOT WATER OR STEAM

never fail to maintain an even, healthful warmth through all changes of the weather.

THE BOILERS are simple to operate, wonderfully economical with the coal and in different sizes to suit all buildings; while the RADIATORS are of graceful design and made in so many sizes and styles that they suit every conceivable need.

What's more, they have the only perfect joint, iron to iron, without gaskets, and can never leak.

They always give thorough satisfaction.
