A SPLENDID HOLIDAY GIFT!
PLAYS 800 TUNES. **The ORGANETTE**

At once the **MOST PERFECT** and **CHEAPEST** mechanical musical instrument ever invented. It will play over **800 pieces of choice music** from a lively song to grand Anthon playing every

note as perfect as a cabinet organ. You can sit down after your daily toil, and one of the little ones can't play for you any tune that you may select. It requires no musical practice on keys; keep it in motion with the music upon it, and the tunes will come out as naturally as a song from the bill of a mocking bird. It will make a dull house cheerful, and redouble the cheerfulness of a pleasant home. Every note comes out **CLEAR** and **DISTINCT**

with the full, rich tone of a church organ. A little boy or girl can play for your company, a set of Quadrilles; or if you prefer it, can play the songs of Zion as well as the organist of your church. It is a **PERFECT** instrument; it is a **STRONG** instrument; it is a **breathing soul of harmony and melody**. We send the **ORGANETTE WITH A FINE SELECTION OF MUSIC FOR \$8.00**. The **GREATEST INSTRUMENT** for the **LEAST MONEY** ever offered in the world. With an **ORGANETTE** in your parlor you are better off for music than if you had a piano—the latter requires a musician; the former C. G. B. If you remit \$2.00 with order. The balance can be paid at Express Office when the Organette is received. We want good agents to handle this instrument and offer such inducements that any person can realize a handsome income. Send **\$8.00** for a sample instrument and let us know what you think about taking an agency.
