# The Miracle at Markham

By Rev. Charles M. Sheldon

Author of "In His Steps," "The Crucifixion of Philip Strong," etc.

Paper, 30c.; Cloth, 50c., postpaid

No man in twenty years has exercised a mightier influence through his pen upon Christian thought and action than Charles M. Sheldon. This story is now running in serial form in *The Ram's Horn*, and has awakened wide and profound interest. It may be called an "ecclesiastically revolutionary" story, striking at sectarian differences and prejudices, and giving an illustration of the splendid results where, as in Markham, the "twelve churches become one."
