RIFLE MATCH.

The members of No. 4 Company, Oneida, held their annual shooting match on New Year's day. On account of the unavoidable absence of Captain Stewart, Lieut. Mulvey and Ensign Glenn chose ten men a side, and shot for an oyster supper, prepared at Ryan's Hotel, Ballsville. The day was not so good as might be desired, as it snowed incessantly during the whole time of firing. After firing ten rounds per man at the under-mentioned ranges, and after a keen contest and some very good hits, as will be seen below, Lieutenant Mulvey's squad scored an aggregate of 209 points, and Ensign Glenn's 221, giving his squad a majority of 12 points, and was consequently declared the winner of the supper. The following is the score:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

On the recommendation of the Honorable the Minister of Customs and under the authority given and conferred by the 123 clause of the Act 30 and 31 Vict. Cap. 6, intituled: "An Act respecting the Customs."

HIS EXCELLENCY IN Council has been pleased to make and prescribe the following "Regulations" respecting the Warehousing and bonding of Wheat, Maize, or other grain that may be ground and packed in bond, that is to say:

1. That the Collector or other Officer of Customs at any Warehousing Port in the Dominion of Canada, may deliver without payment of duty, to the importer of any Maize or other grain from which flour or meal can be manufactured, on proper entry being made of the same, any quantity of such Maize or other grain for the purpose of drying, grinding and packing in such place and on such premises as shall be particularly described by such importer or owner.

2. That such buildings used for drying, grinding and packing of Maize or other grain and the premises thereto belonging, with the description to be given thereof as aforesaid, shall, for the purposes of drying, grinding and packing Maize and other grain under the above mentioned Act, be deemed and considered a Government Bonded Warehouse, and that none of the Maize or other grain so brought into the said drying, grinding and packing building or upon the said premises, shall be removed therefrom without a proper ex-warehouse entry and due payment of

all duties; on the same, if intended for home consumption within the said Dominion, or upon due entry thereof for removal or exportation under the usual bonds; nor shall any flour, meal or other products from the maize or other grain aforesaid, be removed from the said premises without due entry as aforesaid, either for consumption as aforesaid, for removal and exportation and payment of all Customs duties legally due on the flour, meal and other products into which the said maize and other grain shall have been manufactured as the case may be, allowance having first been made of five per cent. on the said flour or meal for shrinkage in those cases in which the corn or other grain has been kiln-dried before grinding.

3. That before the importer or owner of any maize and other grain aforesaid shall for the purpose of drying, grinding, and packing, be entitled to obtain the delivery thereof either ex-ship upon their importation into the said Dominion, to be carried immediately to the drying, grinding and packing buildings and premises aforesaid, or out of any Customs Warehouse, in which the same may be warehoused, he shall give bond with two sufficient sureties, to the satisfaction of the Collector of Customs at the port where such Maize and other grain are imported or warehoused, in a penalty of double amount of duties payable on the same, with the conditions that the whole amount of the duties so payable upon the quantities of maize and other grain so delivered upon arrival or out of Warehouse as aforesaid, for the purpose of being dried, ground and packed in bond, shall within six months from the date of the bond to be so entered into, be well and truly paid to the Collector of Customs aforesaid for the use of Her Majesty, and the said importer or owner shall, before he can obtain the delivery aforesaid, further enter into and execute to the Collector for the use of Her Majesty as aforesaid, a general bond, the said importer or owner in the penal sum of one thousand five hundred dollars, and two approved sureties in the sum of three hundred and seventy-five dollars each, conditioned that at no period shall the quantity of maize or other grain, or the product thereof in the said building or premises be less than the quantity on which the bond or bonds for duties hereinbefore mentioned, shall be outstanding and unpaid.

4. And for the purpose of further securing the due observance of the foregoing Regulations, the Collector of Customs, the Surveyor of Customs or warehouse-keeper or other approved officer of Customs, at the port where the maize and other grain shall be so bonded, or at the port nearest to the said drying or grinding and packing premises, shall at all times when such operations are being carried on therein have free access to and upon the said drying, grinding and packing buildings and premises for the purpose of verifying the quantity of maize of other grain and their products therein, and any reasonable expenses attending such inspection shall be borne and defrayed by the importer or owner of the maize and other grain so undergoing drying, grinding and packing in bond.
