## WILL PAY YOU

if you state plainly and concisely what you have, make it clear that it meets a want of the reader, and show that he can get it from you conveniently and at a fair price. This Journal is the only medical medium of the Eastern Canadian Maritime Provinces and so the ONLY medical advertising channel for Nova Scotia, New Brunswick, and Prince Edward Island. Some firms have recognized in the News a *bone fide* business opportunity of introducing their preparations thoroughly to this new market.
